Calculators for Mathematics students in 2026

All Maths students are encouraged to have a Basic or Scientific Calculator.

General Mathematics 3, Mathematics Methods – Foundation 3, Mathematics Methods 4, and Mathematics Specialised 4 students are required to have a **Casio Classpad II fx-CP400** calculator (colour calculator).

It is not necessary to purchase or hire a Classpad calculator for General Maths 2.

Hire of Calculators to Level 3 and 4 students only:

- A good supply of calculators will be available for annual hire for $75.00.
- Students will be provided with a *Calculator Hire Form* by their Maths teacher **once classes commence**.
- Hire payments can then be made at the College Reception office or STAS authorisation obtained.
- Upon presentation of the hire form and receipt, or STAS authorisation, students will be issued with a calculator by College Library staff.

Calculators for Science students in 2026

Where students are studying more than one Science subject, only **ONE** Scientific calculator is required.

Calculators for Accounting/Computer Science 3 students in 2026

All Accounting and Computer Science 3 students are encouraged to have a Scientific Calculator. It is not necessary to purchase an additional calculator if a Colour or Scientific Calculator is being used for other courses.

Scientific Calculators are available for borrowing from the Library for students supported by STAS.
