

ADVENTURES

of the
LAUNCESTON COLLEGE

CHURINGA '89

EDITORIAL

Bonjour MADEMOISELLES & MESSIEURS,

WELCOME! I beseech thee humble worshipper of thine honourable magazine "Churinga". Many plebs sweated long and hard to produce this literary masterpiece; for which much gratitude must be bestowed upon the perpetually organised Mr. Greg Waddle, Mr. Dave "Smiley" Henderson and Lorisse "The Artiste" Dart.

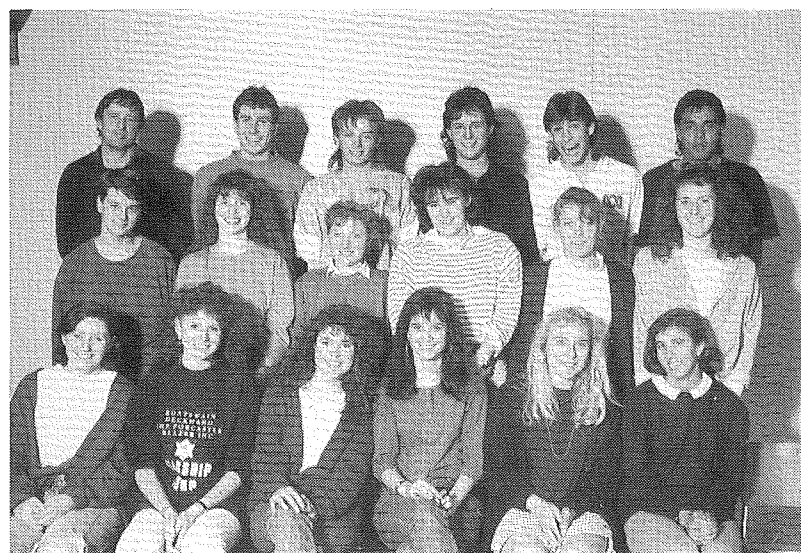

Not forgetting the many students and teachers "extra ordinaire" and the wonderful potential displayed by the Magazine Committee (not mentioning the dismal depths to which they managed to sink at times!!). Ideas from this most profound collection of students ranged from the bizarre to the fabulous, pathetic to outstanding, and inspirational to downright obscene.

To be honest, my fellow students, what you now hold in your grubby little paws is a truly spontaneous piece of craftsmanship; produced after a last minus attempt to present you with s booklet you may now refer to fondly as "Your Mag". May this Churinga keep your memories of Launceston College alive and effervescing for many years to come; and may future generations be both appalled and incredulous at our student (although not terribly studious) activities of 1989.

As the pace eases and the sun sets on L.C. in 1989, grasp this record of three terms past. I hope in time Churinga provides you with a fond perspective as you look back from the uncertain future.

It is in your hands now.

Kylie

EDUCATION EXEMPLAR

In 1895 The Bryce Report on secondary education in England, while recommending some organisational structures, pointed out that it (education) "is a thing too intimately concerned with individual(s)" to be allowed to "be destroyed by uniformity" and that "the individual teacher must be left comparatively free" in order to achieve the "chief object... the discovery of more perfect methods of teaching".

The great strengths of Launceston College, along with all of the other colleges on the senior secondary system in this State, have long been the sensitivity to the private lives of its members. Associated very closely with these has been the professional dedication and excellence of the teachers.

In this atmosphere youngsters can grow, can achieve a measure of self esteem and academic performance far beyond their own former assessment and often such as to give the complete lie to earlier predictions. They appreciate the opportunities for self expression and the teachers and colleges which make it possible.

Today, as in 1895, there are those of political and administrative mind who would wish to attain a new measure of control over the colleges, who would claim to achieve an increase in administrative efficiency by uniformity and who would rein in the freedoms and take control of the limited funding which have been the source from which such magnificent fruits have emanated.

Launceston High School was established in 1913 and very quickly through the efforts of its "individual teachers" and students acquired a reputation for excellence which deprived the non-Government schools of a prized source of income and students. The excellence and achievements of Launceston College, and the colleges generally, is today carpingly criticised as "elitism" not by outside competitors but from within the education system. Our answer must always be to continue to prove by the performances of individual students and staff, as well as harmony within the College, that independence and integrity bring unparalleled rewards to the system and the community.

A.L. Crawford
(Principal)

PRESIDENTIAL REPORT

An excerpt from my presidential speech, "You are the people who will either make or break me..... Open the door to a better college Vote 1 Jodi Crerar... Open the door don't close it."

So what happened? Did the door open or did it slam in my face? Did you as students make or break me? Well, I do believe all of it happened. All of it.

From joyous jubilation to depressing disappointment, this year has seen the works. Happy highs, lousy lows and moderate mediums, I have experienced the lot. And it is here that I must make the very important point that I am One out of a team of eleven people. Eleven people, eleven friends, eleven students and eleven executives. These people are to be congratulated on their hard work and contributions that each and every one has made to Launceston College in 1989. Not only are they great executives, they are great friends, and if there is one high of being President it is getting to know the people you work closely with.

Enough now with the Miss Australia speech and onto the congrats. The C.A. reps who showed up to the meetings are to be congratulated. The students who joined and actively supported committees are to be congratulated and thanked. The teachers who contributed in their own "special" way are to be congratulated and thanked. And a very big, mushy thank you must go to Steve Hollister and Lyn Collins, who have been priceless as liaison officers - as priceless as heirloom antiques. From all of us to both of you - Thank you. (Due to lack of funds, there will be no presents, but you were appreciated.)

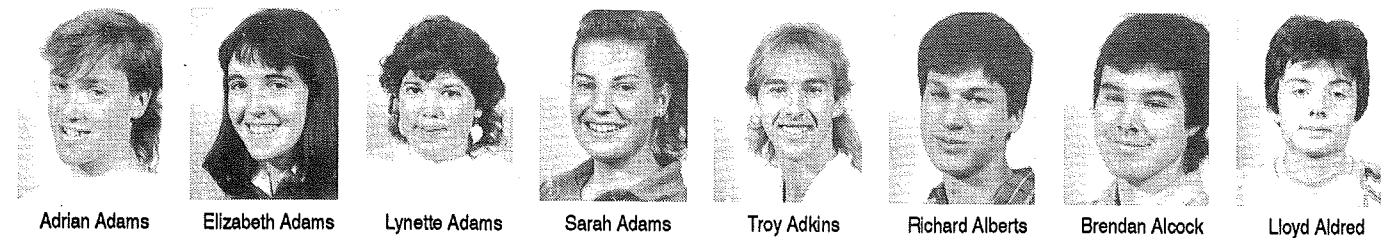

S.R.C. EXECUTIVE

Back Row: (left to right) Gaye French, Pip Stanley, Steve Austin (Treasurer), Kylie Walker (Vice President), Kim Taylor (Secretary), Lyn Collins, Laura Sparks, Genevieve de Groot, Miranda Bruyn, Steve Hollister.
Front Row: Browyn Pierce, Allison Munro, Jodi Crerar, Yvette Clark, Richard Pugh.

I must now report our high points and our successes. (Be prepared to keep reading for a long time.) The S.R.C. Camp was a success and a future must to all S.R.C.'s. We have succeeded with numerous discos, the development of the L.C. Jacket, two highly successful fashion parades, Is it A Knockout?, Balloon Let-off and busy days, shades day, black and white day, establishment of the S.R.C. Newsletter, an artistic mural design on the Common Room Wall and Mr. and Miss Matric. We actively supported TE and Inter College Sports Day, laid the ground work for the L.C. Opp Shop and set up the L.C. Student Council Communication Centre. The list is endless and I can't waste any more space. Congrats and thanks to all who participated in each event. Despite student apathy I can personally say I have had a great year. And it must always be remembered that the Student Council is for the Students and is run by the students. It needs many students to operate effectively. Away with apathy I say. As

President I would like to say thanks to all those who voted for me, supported me and kissed me after I was elected. It has been a good year and I encourage those who are prepared to take the pain with the gain to run for an executive position. Whether it be President or otherwise, each position is as important as the next. It is better being one than never being one at all. Again I thank you.

Jodi Crerar

Adrian Adams Elizabeth Adams Lynette Adams Sarah Adams Troy Adkins Richard Alberts Brendan Alcock Lloyd Aldred

LAUNCESTON COLLEGE

Situated across from the park in Paterson Street. About a thousand students, lots of faces, twice as many feet.

To get an education that's why they're here,

The discos are fun, exams strike fear.

With hearts so young, beating so strong,

Some will quit, others will go on.

Their goal is financial fortune, it's wealth they seek,

But a percentage won't make it, their futures are bleak.

Good friends I have made in Steve, Ben and Dane,

Most teachers are helpful, others just a pain.

But I will persist and put up with the . . .

I'll make the most of it, I won't quit.

Whether I pass or fail they'll remember me,

For my style and grace, personality.

I'll have my say, these final words are mine,

Were these last two years, A waste of time?

Big Tone.

S.R.C. C.A. REPS.

OUR C.A. REP. HAS DEFINED US

Then again maybe my C.A. class is just full of non-spirited people.

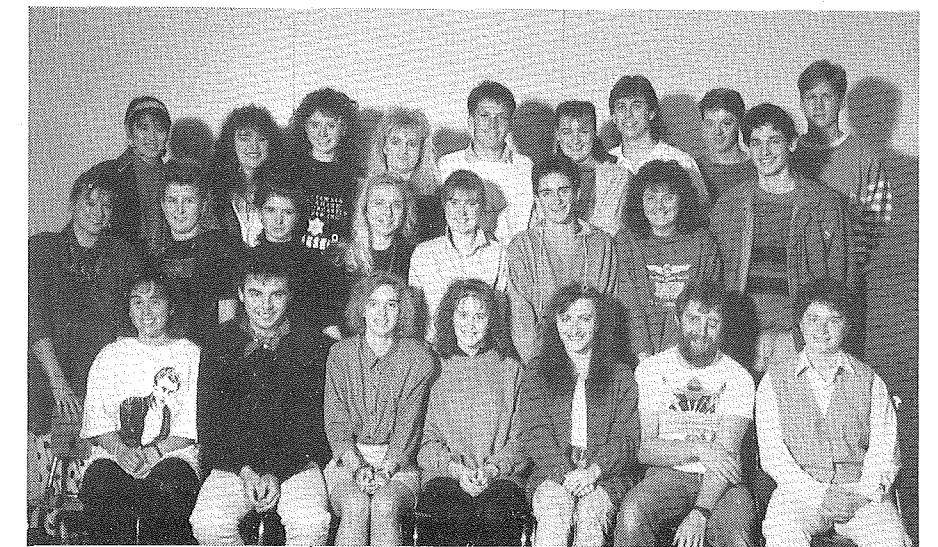

Andrea L. Shadbolt

My C.A. class is Economics and we are not a very noisy, exuberant, exciting, energetic or school-spirited class. Or so our C.A. representative tells us every time she asks us to participate in something and we respond by keeping quiet and very still (unless she takes our movements as an affirmative response). Our other response is to all talk at once so she can't understand a thing any of us has said. (Yes we do have our tactics!)

Our representative complains that when she goes to the meetings with the others of her kind, she is forced to report repeatedly "My C.A. has nothing to say". Our attitude could be defined as one of apathy or, if the rest of them are anything like me, they don't believe that the fire of "school spirit" can be rekindled in Launceston College by bursting balloons, for example.

This year I was really looking forward to some fun in the school as I had been told about the days of the "Trixters" and could remember the "Denzils" myself. I wonder what would have happened had Mel Dakin been able to implement the promises she gave in her election speech?

CHARITY COMMITTEE REPORT

Well, what a hectic year! The committee got off to a slow start this year, but since then we've been very busy raising money for several organisations. The main members of the committee are: Sharee (secretary), Audra (treasurer), Sarah, Rebecca, Heather, Keren and Karen, Kylie, Amelia and Cheryl (an American exchange student who left in August). However, many other people have also helped throughout the year, and that was very much appreciated. This year the Charity Committee worked very closely with the S.R.C. An attempt was made to change the name to L.C. Community Support Group, but we decided to keep the same name (besides it's much shorter). Most of the fun "days" were organised by the Entertainment Committee and the Charity Committee raised money for several appeals and organisations such as: the Examiner Winter Relief Appeal (\$100), Freedom From Hunger Button day (\$27), Red Nose Day (\$550) and The Retarded Citizens Welfare Ass. Door-knock (\$226). We have tried to raise \$288 for our sponsor youth, Navik, who lives in Thailand. Thank you to all those who donated prizes and to Richard K. (Art Dept), who donated the cans for the Cake Raffle. The harder aspect of being in the committee was to see so little sup-

port for our fund raisers and functions. Hopefully next year people will show how they care by being a member or supporting the Charity Committee. Some suggestions for next year's committee are to try and have more contact with our sponsor child or to consider helping in different ways. Also a separate Charity Committee (Fund, Treasury?) would be a good idea.

From personal experience I have found that there is so much to organise when running a committee... but the rewards are really worthwhile. I wish next year's Charity Committee all the best and hope that they will receive as much if not more support for their charitable activities.

MURAL COMMITTEE REPORT

Being co-ordinator of Student Services it was my job to see the back wall of the Common Room MURALISED!! To get the ball rolling the S.R.C. held a mural competition. Everyone got really enthusiastic and the entries flocked in. Yes we got four entries in all! Swamped by entries, it was a tough decision, and after hours of agonising, the eventual winners were picked - Lorisette Dart and Ian Briggs. These lucky people won free tickets to all S.R.C. functions

However, due to unforeseen circumstances we were unable to follow the winning designs and my brilliant artistic committee came up with a brilliant artistic design and the mural was eventually completed, looking brilliantly artistic (of course!).

I would just like to thank all those who helped and participated - for without them the Common Room back wall would still be looking like a polar bear in a snow storm. It was tough, it cost a lot of money for the paint, people nearly killed themselves falling off ladders, but WE MADE IT!!! It's new, it's exiting, it's the Common Room Mural, and if anyone paints over it next year, I will personally kill them!

Bronwyn Pierce

FLANGE PATROL
Back Row: (left to right) Colin "Colster" Smith, Scott "Krim" Jory, Dean "Will" Williams, Andrew "Stroker" Axton.
Front Row: Anthony "Frank" Reader, Dane "Walter" Waldron, Richard "Dick" Pugh, Tony "Big Tone" Nicholas, Steven "Jigga" Degetto, Jeremy "Jezza" Oliver (President).

FLANGE PATROL REPORT

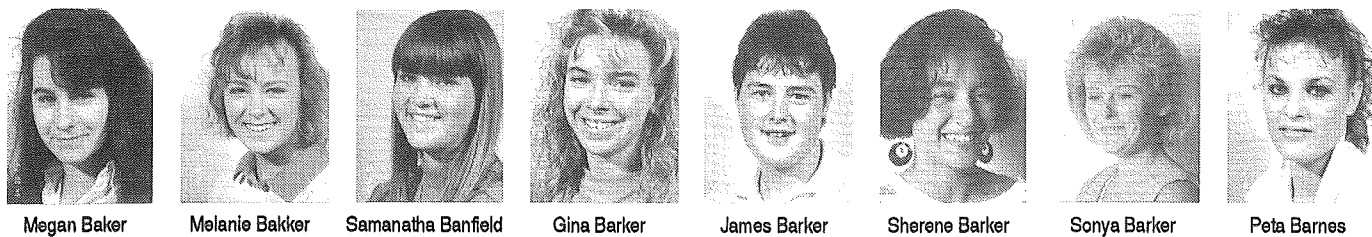

Throughout history, many groups have caught the attention and the imagination of the people of the world. These groups brought down governments, caused havoc, raised hell and did strange and wonderful things to anything crossing their path. Names such as Ghengis Khan, Mussolini, Stalin, Hitler, Idi Amin and Edmund Rouse have now been joined by another elite, if not bizarre, group of individuals collectively known as THE FLANGE PATROL.

These fine, outstanding examples of students have made Launceston College one to be proud of; ones

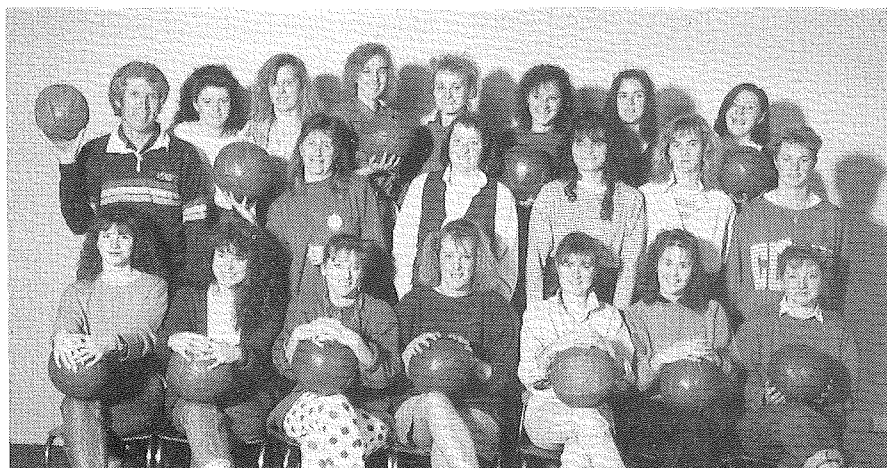

you'd love to take home to meet Mummy and Daddy (if you're a girl that is!). While many of our activities have been behind the scenes, they have been greatly appreciated by our own teachers and fellow students. Some of our activities which you may be unaware of include; interior decoration of school facilities, keeping things quiet in the common room and basically making the College environment a more beautiful and tranquil haven for those attending. We hope you appreciate how much effort and hard work we have put in for your benefit. In closing, we would just like to say that if you believe this, you'd believe that Colin Room is a safe person to invest your money with.

G'DAY

I have almost finished the most different year of my life. I have met some of the greatest people, but there were also the Bogans. I must admit that I have had a great year, but people must realise that the exchange student's life is not as easy as it seems. O.K. so some of us don't apply ourselves in our school work, but we have a lot of other things to do. Fortunately I didn't have to learn to speak English, but then again, is Australian really English?

It is strange how people don't like what they have got. I have heard so many Tasmanians criticising "Tassie", the way I used to, back home. As a stranger, I think Tassie is a great place and the people are even better. To sum up my feelings about Tassie and Australia, I can only say "blerry bewterfull". For the next two years of my life I have compulsory national service (army), and then it's off to Uni. One day, however, I will come back to Tassie, but when, I don't know.

Thanks to everyone who made this year what it was.

Neil Cosser
South Africa

OVERSEAS STUDENT PROGRAM

This year for the first time, Launceston College has eight fee paying students enrolled in year 11 and 12 courses.

The students come from Malaysia and Hong Kong and have had some very enriching experiences during their stay.

Some of their responses about the College are:

- I really like this College; the facilities are good and the teachers really care for us.

- The choice of subjects and the freedom is good.

- The relationship between students and teachers are good.

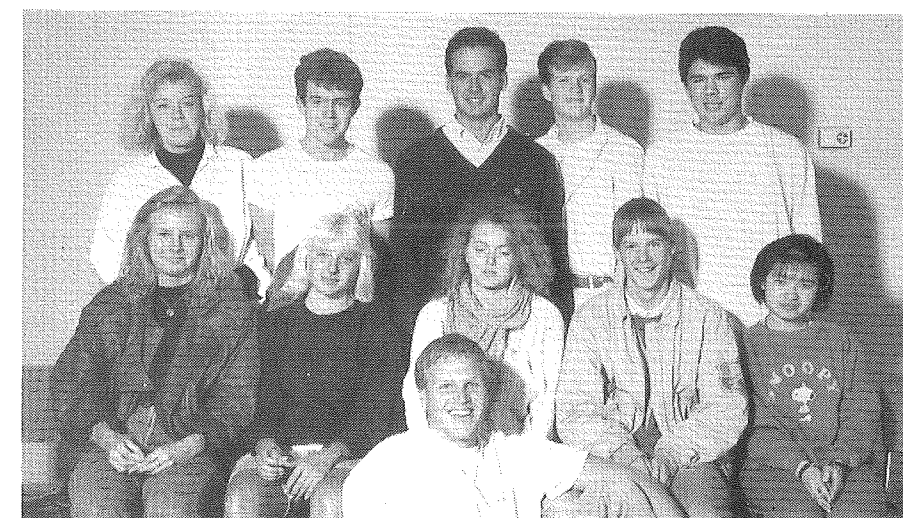

- The teachers have a good attitude to the students and will look for you to give you individual help. We don't have to sit in the one classroom for eight hours at a time.

- Launceston is a good city in which to study, but it certainly lacks entertainment.

- It is difficult to buy the food you want. I hate eating meat pies!

- Sometimes the Australian students just don't understand my jokes!

(Hui Chii Lau, Choon Peng Lim)

EXCHANGE STUDENTS
Merilisa Juntunen (Finland), Neil Cosser (South Africa), Hugo Iruretagoyena (Spain), Michael Stover (U.S.A.), John Carlson (U.S.A.).
Middle Row: Solle Jiltala (Finland), Syster Feddersen (Germany), Nina Wessel (Norway), Frank Sandberg (Denmark), Candy Chan (Hong Kong)
Front Row: Marcelo Senif (Brazil).

Some of the students will return in 1990; others will study in tertiary institutions. Wherever they are, we will follow their futures with interest as the trail blazers in Launceston College. The Staff and Students have shared experiences with the overseas students and the benefits have been rewarding. Good Luck.

FROM U.S.A.

During my year of living abroad I have learned more than I have ever done before. When I left California all of my friends kept asking for a picture of a Tasmanian Devil and a kangaroo. Now I have something to show them, tassie devils, wallabies, echidnas, wombats and so many things it would be impossible to list all of them. Tasmania is full of so many great things to see I'm getting to the point that I don't want to go back. It has been very difficult to resettle my life away from my family but now that I have, I've gained a complete second family and many new friends. While attending Launceston College I've learnt to be a great deal more self disciplined, due to the "college way". High School continues until the twelfth grade in America, not giving the student time to prepare themselves, like the Australian colleges do, for Uni. There is more freedom at school here, yet fewer disruptive students to make learning difficult. Overall I think that my year as an exchange student has been the most rewarding year of my life and wouldn't change a thing.

ASIAN AWARENESS

Events in mid-1989 brought all Australians to a new and dramatic awareness of our Asian neighbours. Here at Launceston College a much more positive awareness was being planned and prepared by the new Asian Awareness Committee. Asian Studies was established as an educational priority in Tasmania this year and a group of committed people began work on plans to encourage students, teachers and parents to consider the benefits of Asian related subjects in our curriculum.

The committee, Julianne Colman, Angie Dicher, Geraldine Hussey, Lyn Hendley and Umi Quor is chaired by Carol Fuller. This committee, ably supported by the Catering class, the Indonesian class, Tourism Studies students, the Music Department and the Speech and Drama Department launched its first Asian Connection evening at the end of term 2.

The evening was a tremendous success. A varied program included music in the Chinese style, humorous dramatisation of an Asian student's arrival in Tasmania, Indonesian costumes, a Chinese lion dance, a video about employment aims of Japanese and Indonesian songs and music from Queechy High School students.

The committee hopes to continue its work in 1990 with plans for an Asian market day, the introduction of materials about how to incorporate Asian

studies into the curriculum, informative pictorial displays and a series of

guest speakers and videos on Asian themes.

L'TON COLLEGE CHRISTIAN FELLOWSHIP UNLIMITED

This year we have discovered many mind boggling and completely devastating truths:

- Carolyn snores.
- Julie makes the best spaghetti bolognaise in the world.
- Andrea and Julie get up at the of 6 a.m. for an unknown reason.
- Nello never comes home on time
- Organising a group of Christians is hard!!

Four of the above truths we found out whilst engaged in a programme entitled "Fellowshipping/Living Together": for three nights we camped Out at Julie's place. The aim of this exercise was to see if we could love one another (even when the "other" talked in her sleep!). Because we cannot love the people around us, how can we expect to love everyone else? The programme was a success. Our leaders; Nello and David, assisted by Warren and Di, would certainly agree with point e). However, somehow they managed to organise us into a semblance of order. The end of term II saw us holding a tuckshop to raise money for "TEAK FUND". Apart from raising money we learned that when red, blue, green and yellow colouring are combined with toffee the result is not very nice to look at. We have had much valuable time together, sharing our faith

and generally having a good time. Meetings should still be going next

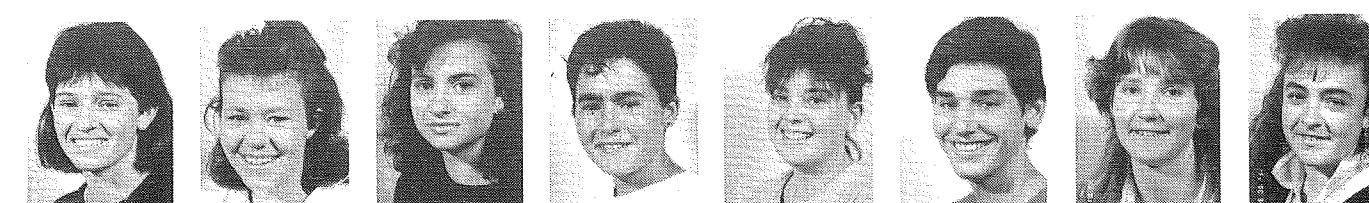

year, hope to see you there (year II's that is).

The big clean up was on Sunday, October 8th. Those fifty or so people who ventured out of bed to brave the weather armed with "Gummies", must be thanked - in particular, Trevor Burden, one of the L.C. organisers for the event. Items of rubbish collected were ... What can I say? ... interesting to say the least. They ranged from the usual broken stubbies, (come on fellas, i.e. the fl__ge

patrol type - cash 'em, don't smash 'em) to an assortment of exclusive, earth coloured lingerie So Jaffys, look out for the new exciting range of clothing on next year's Op Shop!! Thanks again to those of you who lent a hand and helped clean up the banks of the "beautiful" Tamar River. Now ... who volunteers to clean up the water?!!

EUROPEAN LITERATURE

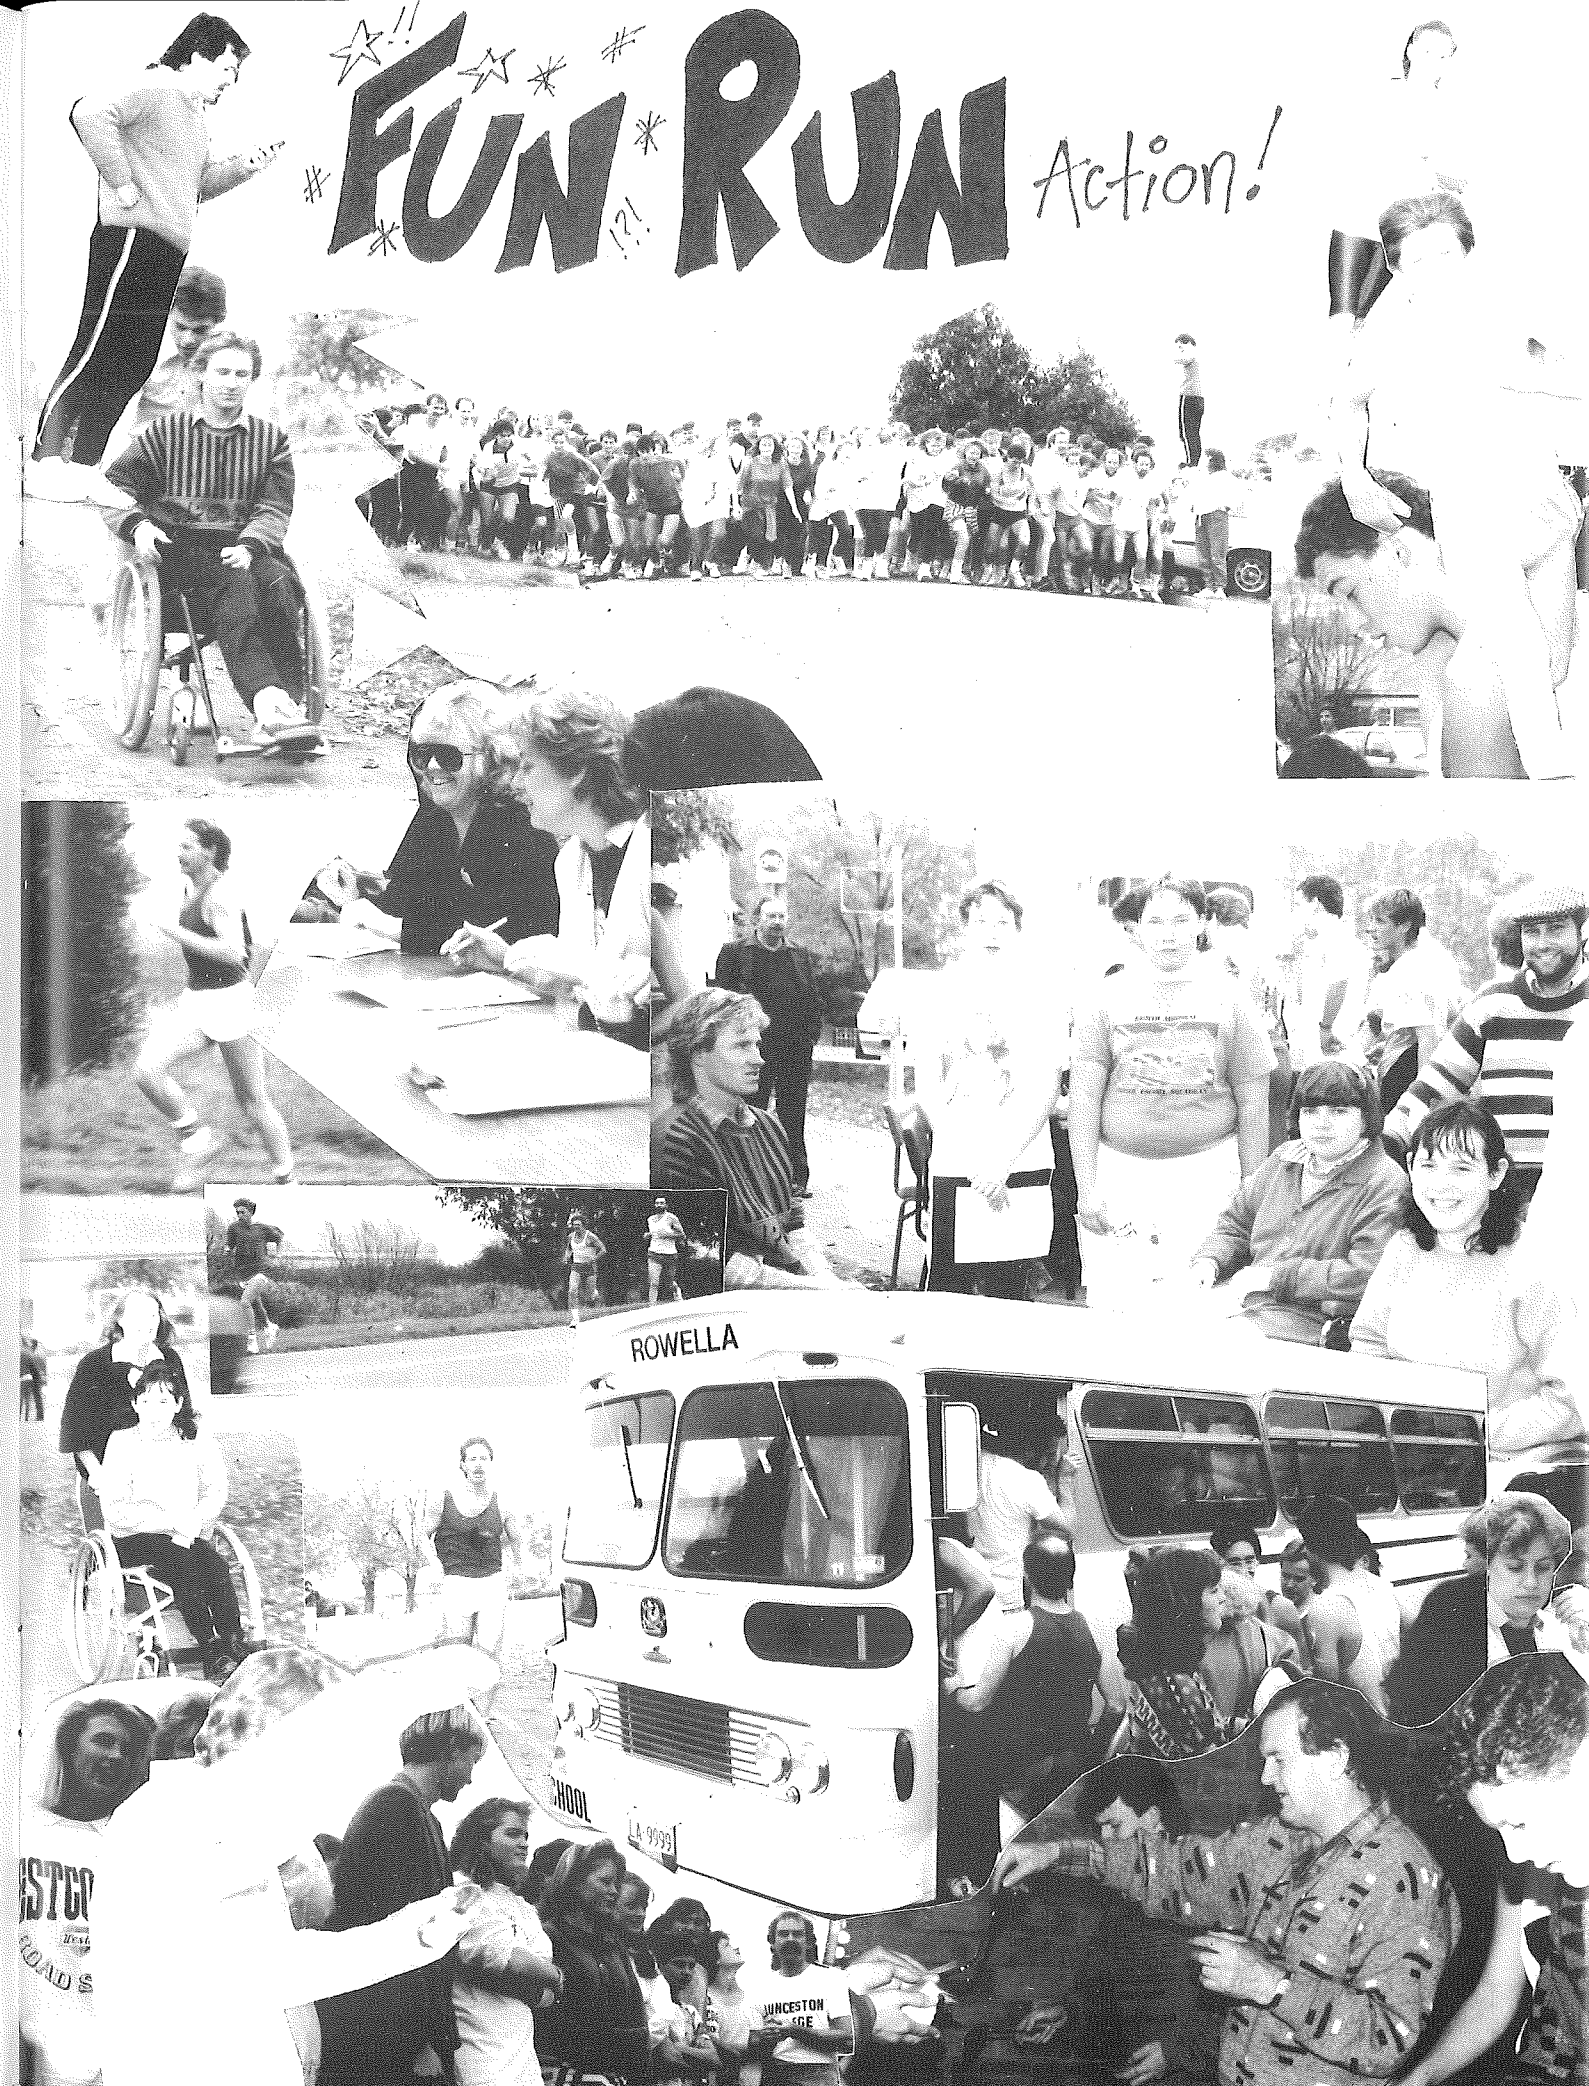

Gaye French

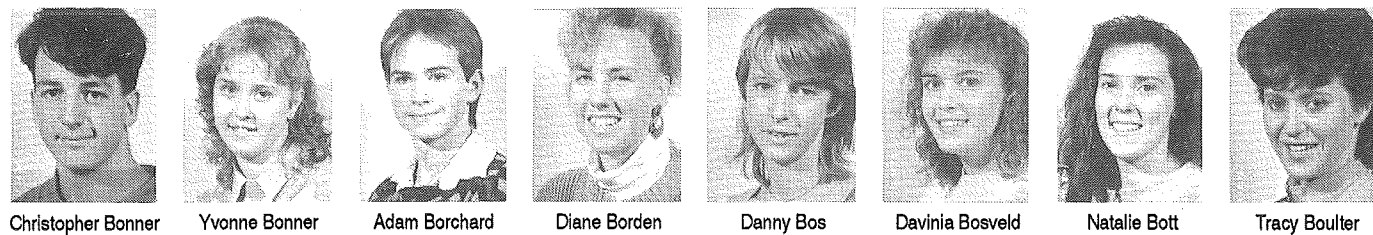

Fondly referred to as Euro Lit, this must be one of the most obscure classes, if not definitely bizarre. The unique few of us who were brave enough to indulge in this most mind-boggling of pursuits, were confronted with a mountain of 19th novels and an exorbitant amount of vertical files. Led by our ruthless teacher, Peta "Slave Driver" Newman, we were dragged through the most profound and ludicrous perceptions of the works we were attempting to "study". Bravely we marched forward into a world unknown to us, and managed to find the most perverse implications in what were seemingly ambiguous statements.

1989 Euro Lit Students (all seven of us) have emerged with a wealth of knowledge on a variety of subjects ranging from topics such as anal fixations of the Dutch to the supposed chasteness of German marquises. It is with great thanks and appreciation to Maupassant, Durrenmatt, Zola and Newman for enriching our adolescent years that we end this brief script.

JOIN GEOLOGY SEE THE STATE

To most students Geology is just a subject taught in a room off the quadrangle by a rather large, loud gent who thinks the study of rocks is all that matters in the world.

Now, while there are some fragments of truth in this statement, there is a good deal about the subject which many students never hear about - the excursions!

Spread throughout the year are six, one-day excursions which take students far and wide. The weather varies, the mud is often thick, but most importantly, the geographic highlights include the following:

1) Launceston area, but have you ever been to the boat ramp at Legana, let alone the cliffs north of it?
2) Beaconsfield area, but via Notley, Winkleigh and Flowery Gully, not to forget the site of the original settlement in the areas. Thistley Bottom!

3) To Bridport, but calling at Bangor - ever heard of it? (Seems it was where the slate came from to cover Launceston's housetops last century.)

4) Scottsdale and Derby areas, but have you ever visited the delights of the Camden Road or investigated the forestry roads at the top of the Siding?

5) Golden Valley (turn south at Deloraine) with more mud than most can imagine, icy winds straight off the snowfields and a distinct lack of public toilets.

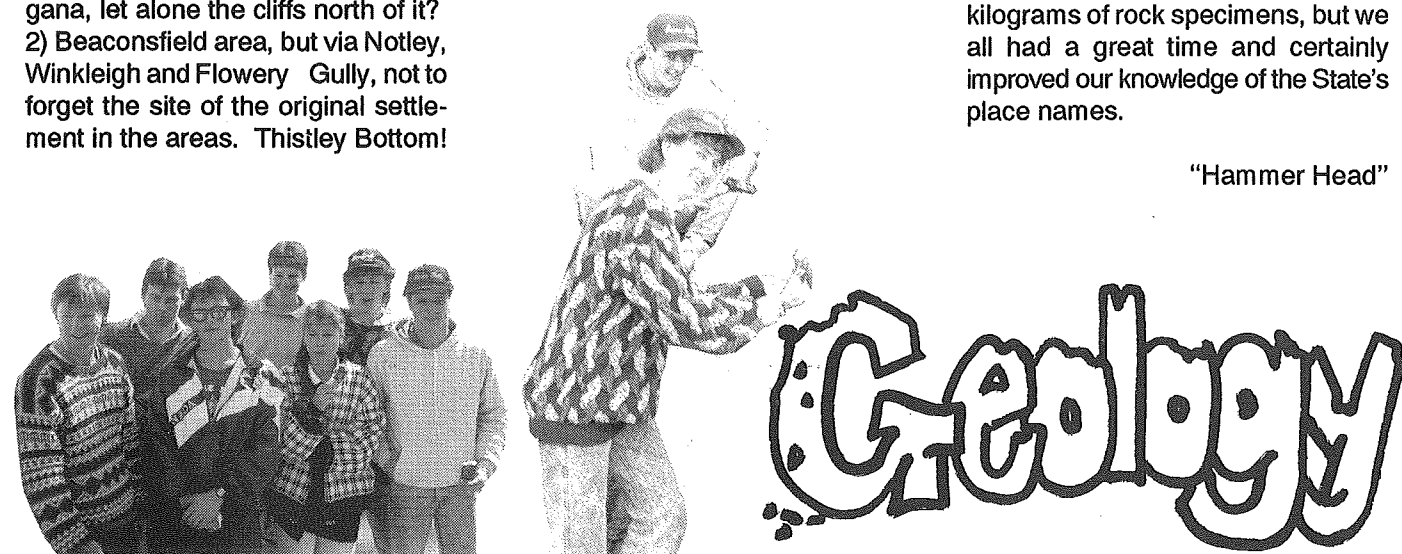

6) Mersey Valley, passing through Nowhere Else on the way from Devil's Gate to Cethana - yes there really is such a place!

In addition to these trips, "Tiny" ran no less than nine days of excursions during weekends and holidays, either as optional extension trips for Geology students or course excursions in Advanced Geology.

The most recent such trip was a three day jaunt to the West Coast, commencing with an underground tour of the new Hellyer mine (could you mark its location on a map?). The second day saw the party enjoying the seaside at both Strahan and Trial Harbour, before driving the new Jukes Road to that well-known city of Crotty. On the way home, copious quantities of fossils were collected above Serpentine Creek - that's just north of Bronte Park.

Not every student may have learnt all the geology "Tiny" would have hoped, or collected the prescribed number of kilograms of rock specimens, but we all had a great time and certainly improved our knowledge of the State's place names.

STUDENTS MAKE IM- PORTANT FIND!

October 1989 saw the publication of a scientific paper which reflects well on Launceston College.

While on the Poatina excursion in August last year David Castle, assisted by Jason Orr, made a major discovery.

The bearded geologist with the built-in loud hailer halted the coach high on the mountainside and launched into his oft-repeated spiel relating to the idea that one day a student would find an important fossil in this particular rock. Out hopped the students and set to work.

When David and Jason offered "Tiny" Ewington their find at first he did not believe they had found an animal. Then, when he finally took the trouble to inspect their piece of shale, it was rapidly wrapped up and put safely away.

After study at both the University of Tasmania and Mines Department the find has now been fully documented and the scientific paper published. What David and Jason found was a horse shoe crab, related to both the ancient trilobites and present day Morton Bay bugs. This small animal, about the size of a 50 cent piece, was buried in the mud while crawling around on a river mud flat some 250 million years ago.

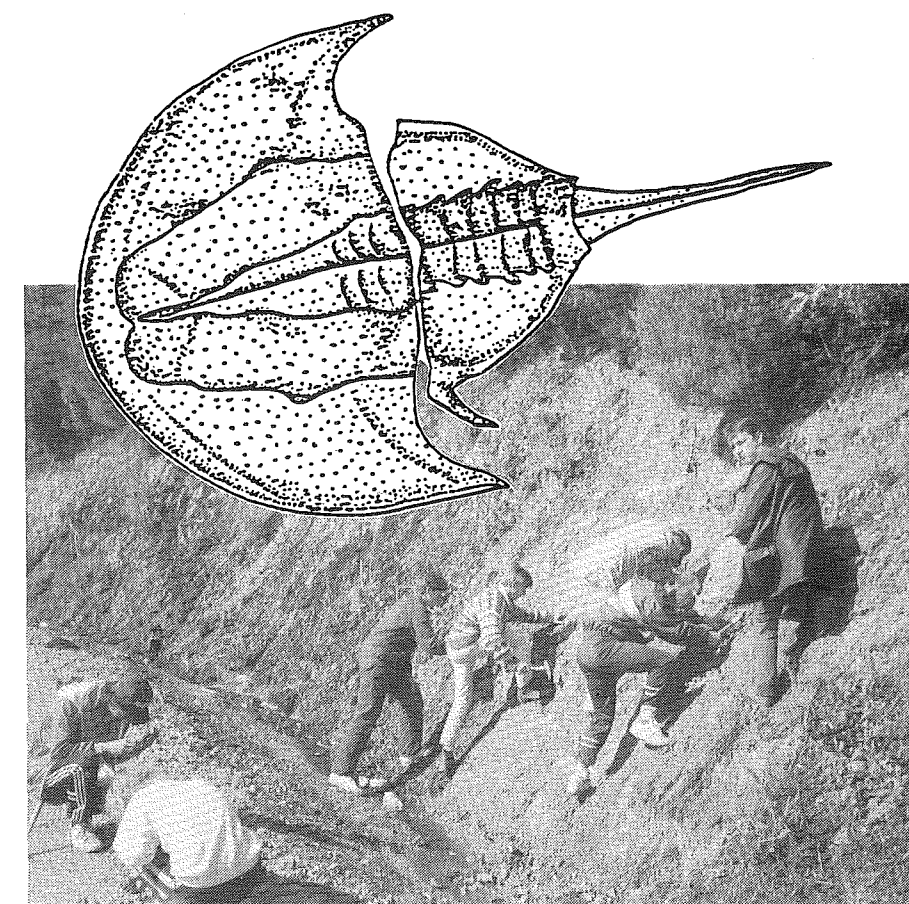

While one or two other horse shoe crab fossils have been found in the

Southern Hemisphere, this was the first such find in Tasmania, and research has now clearly shown that the Poatina find is a new species, not previously described anywhere in the world!

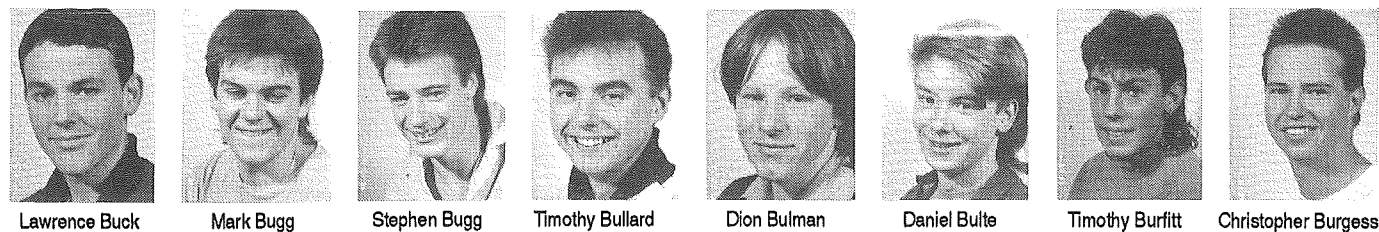

Needless to say, a good deal more rock has been moved at Poatina over the past 12 months, but a second specimen has not appeared. This is not really surprising when you con-

sider that over the past 20 years some 2000 students from Launceston and Alanvale colleges had checked out the spot in question. Not that this makes David Castle's find pure luck! He and Jason had the knowledge to recognise the organism as a fossil arthropod, and to hand it on to their teacher.

(Photograph shows the fossil crab.)

SUCCESS!

- * State representation
- * National rep in Canberra
- * 2nd, 3rd, 4th places at Intercollege Comp.
- * Unbeaten in staff student debates
- * International recruiting
- * International export
- * Members unbeaten in: public speaking religious debate
- * Frontpage College Mag.

Debating began as a Rec. activity early in '89 and is now a firmly established institution for the future. The foundation began with informal brawls where participants relied on brute force, verbosity and insults..... In fact not much has changed. This cultured mayhem was a vital ingredient to the meteoric rise to the fame of L.C. Debating. New members, international recruits and outstanding performances from individuals and team led to unprecedented heights of success. The staff were first conquered with undeniable logic, humour and factual genius. Col Lane hang your head in shame. Such was the brilliance of the debaters the staff were vanquished (back to staffroom ignorance) twice. From there success in the Intercollege Comp. with teams being placed 2nd (by 4 points), 3rd and 4th against veterans from

Alanvale, Rosny, Hellyer and Don. From there the chance at State rep beckoned and 4 four members travelled to Hobart to see the off kilter Hoodo Gurus (and try out). Being the ONLY public college participating added incentive and whilst Sam, Deanne and Raelene performed well, it was Andrew G who made the State team and travelled to Sydney representing not only his state but L.C., debating in a style all of his own. Just another example of the debating's meteoric rise to national spotlight. Soon the world began to take notice and top colleges from the USA began begging us to take their star debaters as rookie recruits and show them how to attain the delicate balance of tact/fact. So we welcomed Sheila from Texas and John from Washington State and with deep regret, many tears and two wonderful coffee cakes (ta, Mrs. Suitor) not forgetting the AllBran with banana at the airport, we said goodbye to Deanne who was exported to Washington State as an exchange debater. With the big bucks from the transfer fees we challenged the Christian Fellowship Unlimited to a verbal tangle, but such is the fear-some reput of the deb. sq. they declined.... Who is left that hasn't been quashed by the almighty force of the debating team? If you're out there Mr. Keating be worried - very worried.

GEOFF LONG
CONTINUES ON

In 1988 Geoff Long officially retired as Bursar of Launceston College, after a distinguished association with the College that began in 1970.

During his time as College Bursar, Geoff's influence over College financial matters, campus administration and management, and the re-development of College facilities, became as "legendary" as his great sporting achievements.

Geoff now continues his association with the College through the Committee of Management, where he handles bookings from the many community groups who are now using our excellent facilities.

Geoff is now in the College on Tuesdays and Thursdays and can be found in his new home in the P.E. complex.

HERITAGE FOREST
TREE PLANTING

During September of this year, Trevor Burdon and a group of students did their bit to help to reduce the greenhouse effect. They participated in tree planting at Launceston City Council's Urban Forest at Churchill Park. The Urban Forest, "Heritage Forest", is being developed by the City's Parks and Recreation Department on twenty hectares of land, which was at one stage a municipal tip.

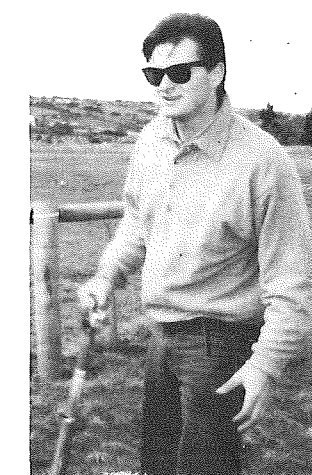

Being interested in the project, I decided to join the small band of plant lovers, led by physics teacher, Trevor Burdon. Upon our arrival at the Parks and Recreation Department, off Lamont Street, we were met by the Launceston City Council's very own RICK Wiley. In his nonchalant manner, Rick, a Parks and Recreations officer of Heritage Forest, persistently reminded us not to be "bashful" about handling the plants. So, with great enthusiasm, we ventured into it. Most of the students worked in pairs, one person handling the plants, while the other spaded the soil back into the pre-drilled holes. Overall we planted over one hundred trees along the roads West of the horse riding area. The tree planting was undertaken during two recreation periods, the 24th of August and 14th of September.

Heritage Forest was selected as one

of the large number of projects to be undertaken by the Launceston Bicentennial Community Committee. Their aim was to provide a facility which could be enjoyed by citizens now and by future generations. This forest is to reflect a living memorial to our first two hundred years of achievement and become one of the most notable urban recreational areas in our Country.

Heritage Forest is a forest for the people, where they can exercise or play games, play sport, walk, go horse riding or bike riding, follow an environmental trail or just sit under a tree and relax. Just as previous generations gave us the beautiful City Park and Princess Square, Heritage Forest is truly a gift to the future.

TAS. RHODES SCHOLAR FOR 1990 IS EX LAUNCESTON COLLEGE

Randall Weeks from Mole Creek has just been named as Tasmanian Rhodes Scholar for 1990. He was a student at Launceston College in 1983/84, studying mainly mathematics and science. He achieved five credits, three highers and two passes in the H.S.C. exams. At university he studied economics-law, and involved himself in sport and community services.

... & SMART BUMS

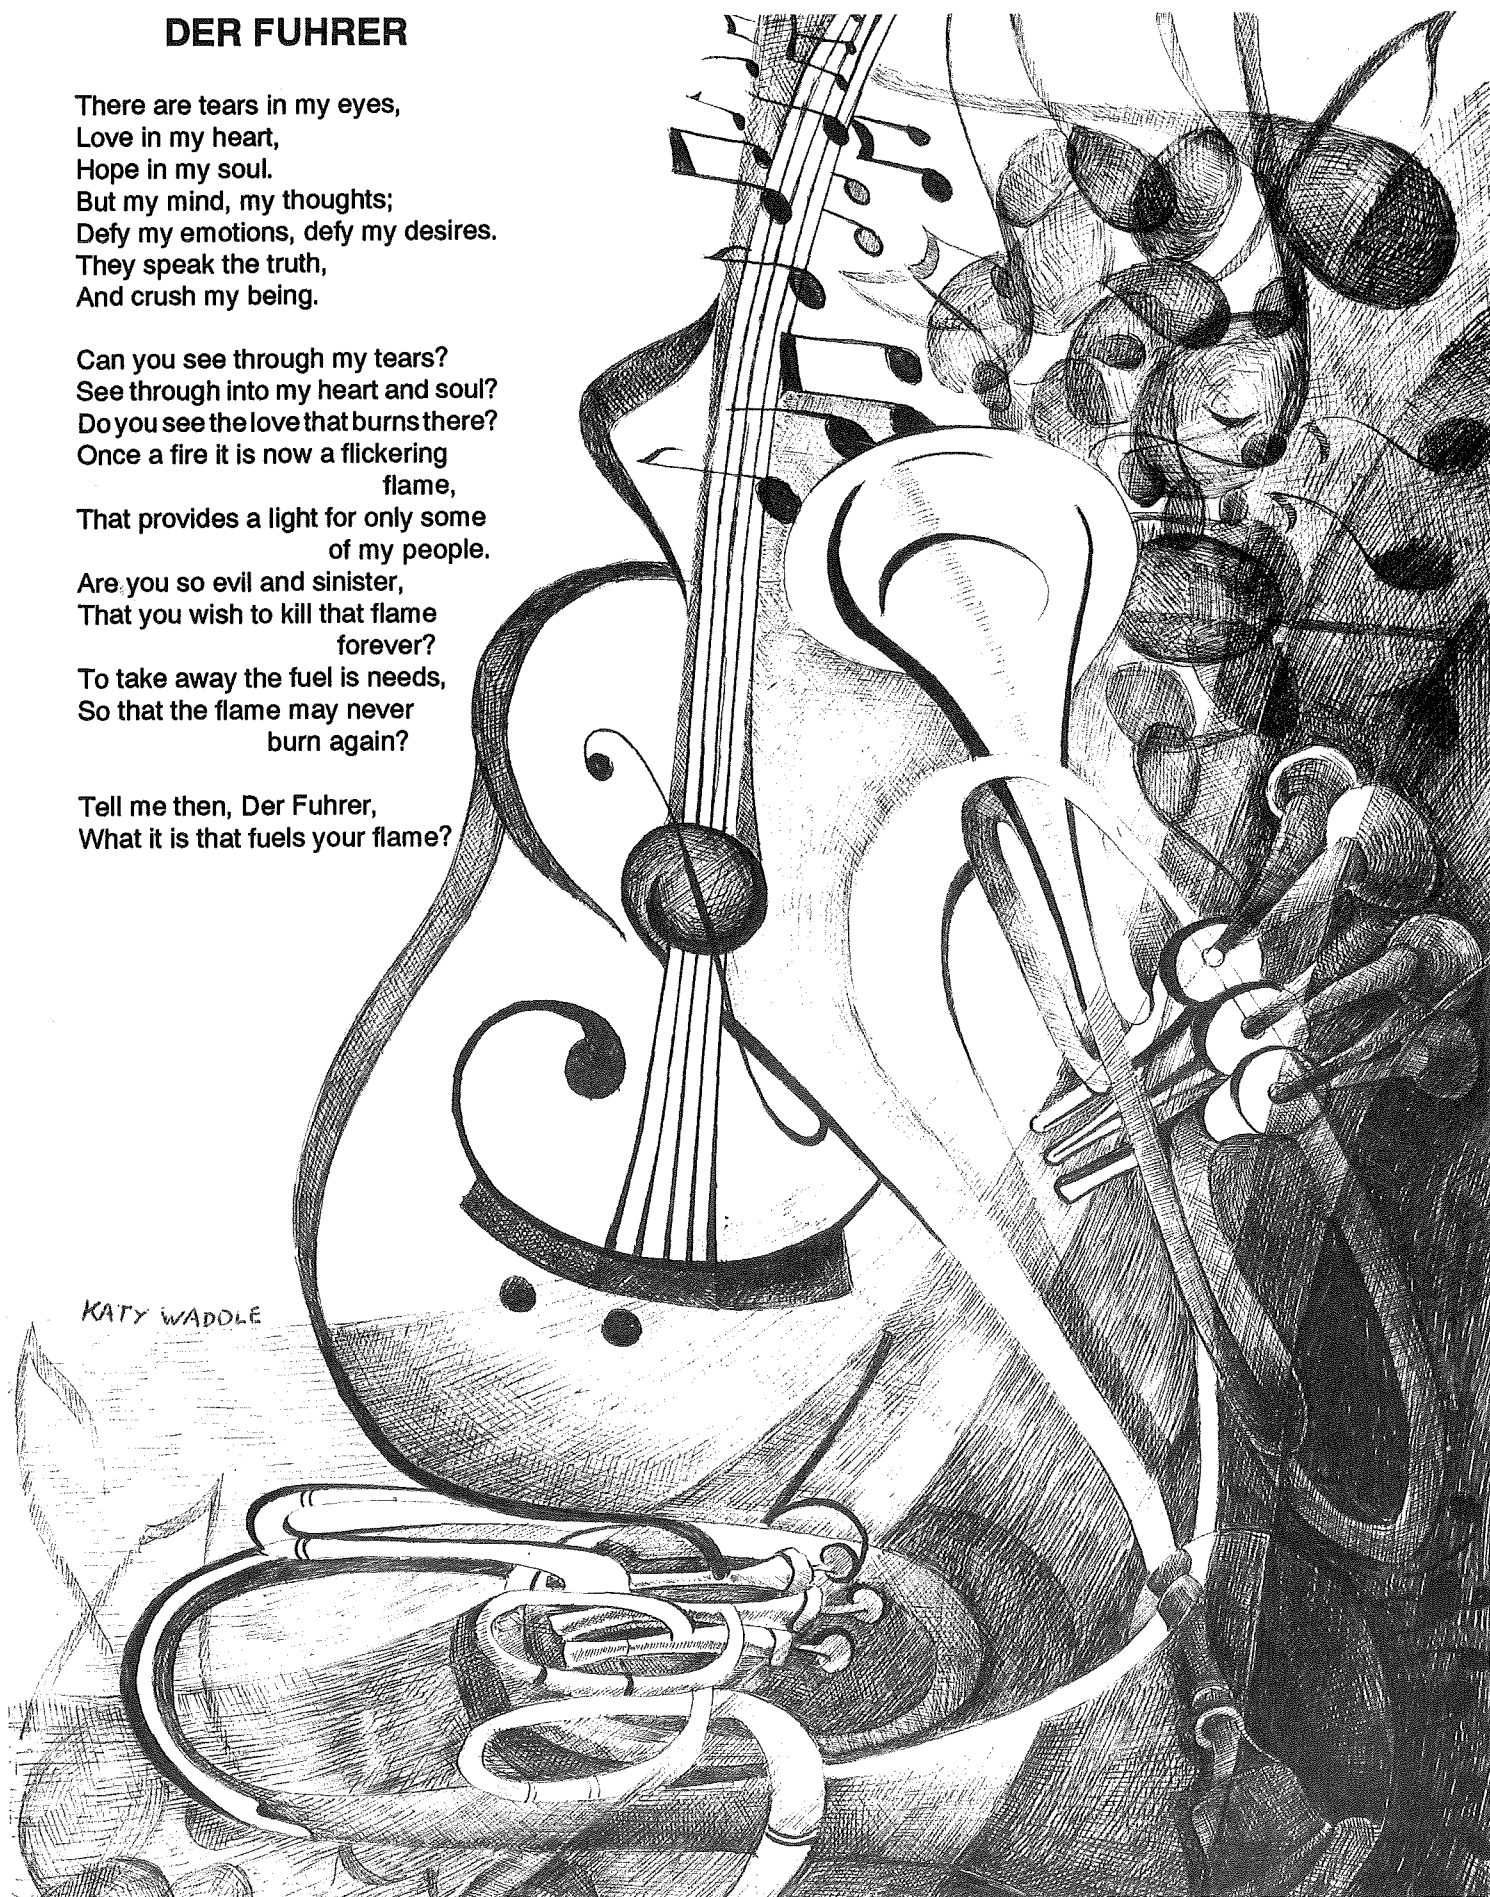

DER FUHRER

There are tears in my eyes,
Love in my heart,
Hope in my soul.
But my mind, my thoughts;
Defy my emotions, defy my desires.
They speak the truth,
And crush my being.

Can you see through my tears?
See through into my heart and soul?
Do you see the love that burns there?
Once a fire it is now a flickering
flame,
That provides a light for only some
of my people.
Are you so evil and sinister,
That you wish to kill that flame
forever?
To take away the fuel is needs,
So that the flame may never
burn again?

Tell me then, Der Fuhrer,
What it is that fuels your flame?

THE CREATION

In the beginning was the plan
and then came the assumptions
And the assumptions were without
form

And the plan was completely with-
out
substance

And the darkness was on the faces
of

the workers

And they spake unto their Group
Leader saying:

"It is a crock of shit, and it st-
inketh."

And the Group Leaders went to
their

Managers, and sayeth:

It is a pail of dung, and none may
abide the odour thereof."

And the Managers went unto their
Senior Managers, and sayeth unto
them:

"It is a container of excrement, and
it

is very strong,

Such that none here may abide by
it."

And the Senior Managers went
unto

their Director, and sayeth unto him:

"It is a vessel of fertilizer, and none
may abide its strength."

And the Directors went unto their
Vice-President and sayeth unto
him:

"It contains that which aids plant
growth, and is very strong."

And the Vice-President went to the
Senior Vice-President,

And sayeth unto him:

"It promoteth growth, and is very
powerful."

And the Senior Vice-President went
to the President, and sayeth unto
him:

"This powerful new plan will
actively promote growth and
Efficiency."

And the President looked upon the
plan,

And saw that it was good

And the plan became Policy.

TROPHY WINNERS AT THE LAUNCESTON COMPETITIONS

- * Most outstanding adult solo item - Jodi Crerar
- * Most creative group - Dance Drama group
- * Highest point score in any group improvisation - Chris Cox, Paul Dennis, Chris Bygraves, Jamie Leale
- * Creative Movement Trophy - C3 Theatre Arts
- * Incentive Award - Tim Bullard

CONGRATULATIONS TO DRAMA AND DANCE STUDENTS

Out of eight sections entered in the Launceston Competitions - we won eight firsts, one second and two thirds. WELL DONE!

L.C. STUDENTS STAR AT THE LAUNCESTON COMPETITIONS

In May our Line C3 Theatre Arts class competed in the Launceston Competitions. We were all determined to do our best and were delighted when our efforts more than paid off. We succeeded in winning five of the sections that we were entered in and a 1st and a 3rd in the Group Improvisation was a little disappointing. Overall it was an exciting and worthwhile experience. I feel that we all benefitted from performing before an adjudicator who could impartially judge our work and we also gained confidence and valuable knowledge on stagecraft by presenting our work to an audience. Our class spent many hours in tireless rehearsal to prepare the material beforehand. Everyone involved is to be congratulated for their enthusiasm, diligence and co-operation which resulted in our well-deserved success.

Rachel Donaldson.

PERFORMANCE FOR JAPANESE VISITORS

In August, forty visiting Japanese educationalists were entertained by drama, dance and music students at a special Performance Evening in the Speech and Drama Centre. Of special interest to the visitors were the selections from original class work in drama and dance.

DANCE

My dancing life has been fairly sheltered. After starting dance with PCYC, I progressed no further than to sing and tap "On The Good Ship Lollipop" and "Rubber Duckie". I must admit that I do now regret resigning after being denied the role of "Giselle On Tap". At the age of five my dance career was over (I thought!!!). My next encounter with dance was much later at the ripe old age of eleven.... at my first school social. Of course with my natural ability and outstanding co-ordination I managed to make a complete fool of myself and luckily arranged to babysit for the next three years of school socials. I thought that I had escaped the trauma of physical exertion forever but no, not a chance. I had by now realised that many of my friends were excelling themselves in the art of using their limbs in such ways that were attractive to the opposite sex and were busy exercising their right to "sit this one out". I had managed to "sit one out" for the last three years and was now missing out on the harvest. I started to sneak out at night and spend all my pocket money to enter night clubs and watch the "older generation" do their stuff. I diligently returned home to practise in front of the mirror with my Walkman on ten, but to no avail. I did not improve and I decided to save up for a blind mail-order boyfriend with no sense of direction. Unfortunately, even after reading the back pages of Post Magazine, I could find no suitable partner. I decided to give up altogether and devote my life to becoming a devout nospicker. I continued my schooling at L.C., passing my first year and stupidly taking on a very heavy work load in my "party" year, grade twelve. Three weeks in I found that I didn't have a "head" for science or a nose for that matter. I could not cope any more and I saw the student counsellor about changing subjects. My choice was limited because of the lateness of my enrolment, but to my amazement I was given a God-sent second opportunity. I was going to dance!!!! DANCE LEVEL 2 with Helene Boyer. The beginning of a new me! A me that can

dance with confidence and a new found talent of lulling males into my arms.

many hesitant comments. After much reassurance and gentle persuasion the events begin.

ROSTRUM VOICE OF YOUTH - the Northern Regional Final was won by Kylie Walker who went to the State Final in Hobart. Kylie won the State Final and represented the College and Tasmania in an excellent manner.

JAYCEES YOUTH SPEAKS FOR AUSTRALIA - the Northern Regional Final was won by Andrew Gregson and the runner-up was Jodie Crerar. Andrew was unable to participate in the State Final due to an attack of the Chicken Pox, but Jodi's appearance on TVT6 proved successful.

PUBLIC SPEAKING
(left to right) Kylie Walker, Andrew Gregson, Jodi Crerar, Julianne Colman (Co-ordinator).

PUBLIC SPEAKING REPORT

Mr. Chairman, Ladies and Gentlemen, I am going to present to you a report about one of Launceston College's most successful extra-curricular activities this year.

A group of six of us have met in the Speech and Drama Centre, on a rather irregular basis to swap ideas, strategies, nerves of steel and panicstricken expressions in preparation for the forthcoming Public Speaking Competitions.

Coins are tossed, straws drawn and entry forms completed for the play-offs. Such civilised clientele willingly allow each other the privilege of entering respective functions and the frantic preparations begin.

Speech after speech appear before me on the day of the event along with

PLAIN ENGLISH SPEAKING AWARD

Andrew Gregson also won the Northern Regional Final and was runner-up in the State Final. His performance was memorable and one of which he can feel proud.

In short, Ladies and Gentlemen, the three major Public Speaking Competitions were all won by Launceston College Students - possibly a first for any college or school. Well done to all participants and I know the experiences will help in your chosen careers. Good luck.

Julianne Colman

PS: Many thanks to the parents who spent many hours travelling, sitting in draughty halls and supporting all our students.

89 CHURINGA AWARDS

4TH ANNUAL CHURINGA AWARDS i.e. "WACKERS OF '89"

For Culinary Expertise:

Richard Pugh and Robert Gormly for their Pumpkin? Soup.

For the Speediest Parking:

Bernd Meyer.

For the most APPALLING PARKING:

Steph Johnson and her trusty Volvo.

The 1989 Fashion Design:

Richard Kluck-a-Chook (Klekociuk) and his award-winning cardigan.

For the cleanest clothes and most immaculate dress sense:

Simon Timmers and THAT army coat.

Most conscientious student Award:

Georgia Lawson and her exemplary attendance record.

The Erotic Exposure Award:

Annette Singline.

Best Green Underpants Award:

Craig Soward for his efforts in Miss Matric (what did you fill them with Craig?).

T

he "Oh Boy, I'm so hard up" Award:

Paul French, for reasons we are unable to disclose.

"School-Suck" of the Year:

Dale Roberts, who'd like to thank Leigh Gittis for his contribution.

Cry-baby Award:

Dane Waldron and his dismal love life.

Flash Gordon Award:

Richard Pugh for his intoxicated whims.

"I'll be sterile soon" Award:

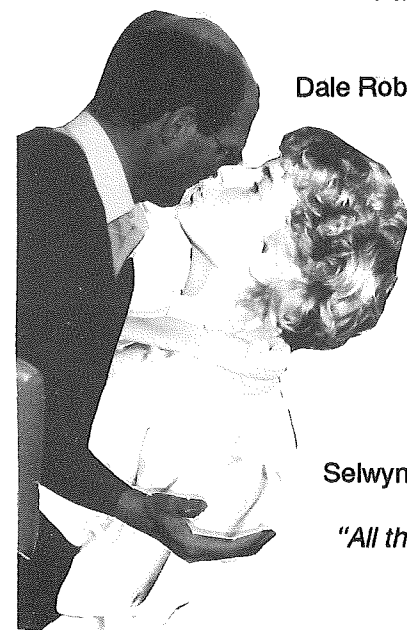

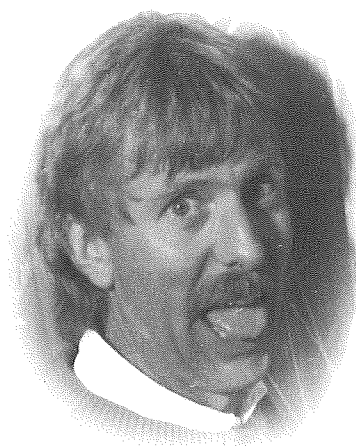

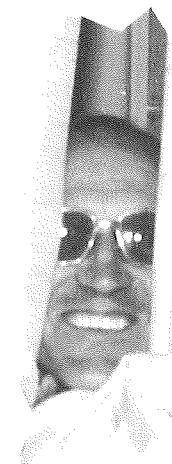

Dean Williams.

Most Perverse Teacher Award:

Selwyn Harris with Alby Nieuwhof "coming" a close second.

"All the Girls love me and I'll take the lot of them" Award:

Steven Degetto THINKS this is true anyway.

Peter Cundall Award:

Trevor Burdon

For his contribution to the hair-oil industry:

John Long, our fearless librarian. (Exxon aren't impressed with that latest little mishap of yours, John.)

Yuppie of the Year:

Scott Freeburgh.

For keeping the Elvis spirit alive:

Col "Invincible" Lane.

"The Most Desperate Guy with a Commodore" Award:

Big Tone.

Eyebrow of '89 Award:

Six Million Dollar Man Steve.

Leeches of the Year Award:

Lorinda Upton and Craig Greer. (Haven't you quenched your thirst yet?)

Haircut Award:

A tough decision, but we finally arrived with Chris Sheppard as winner.

Most Awake Student of the Year Award:

Steve Hollister.

Most Fashionable Footwear Award:

Jodi Crerar (Hands-up who else wore ankle-gumboots to the Bason in 1989?).

Jaffy Award:

Unfortunately no-one comes to mind.

Birralee Law:

For her impression of a hippy from Nimbin Commune.

Paula Deegan:

For the best impersonation of a Toltoys pull-chord Dolly.

Yvette Clark:

For her futile efforts to keep fluorescent button ear-rings and similar accessories in vogue.

Plastic Rural Award:

Cassie Burling (who else wears a stockman's coat with shorts in Launceston?).

Macleans Toothpaste Nominee:

Khai Kulahan.

King of the Surfboard Wax Creations Award:

Adam White.

TRAPPED

So tired, so tired
of everything,
of walls and things
that hold me in.
Oh, let me be!
Please set me free,
for I have no life
if trapped by thee.

Anon.

THOU SHALT BE FREE

Thou shalt be free,
Even if thou is not,
Thou shalt be free in mind,
Even if thou is not,
Thou mind shalt run free,
Even if thou doesn't desire,
Thou shalt be free.

Freedom is a state if mind,
The government can't take it from us,
So we must fight for our freedom.

TALENTED ATHLETES EXCEL IN 1989

Students involved in the Talented Athletes Program (T.A.P.) are currently reaping the rewards for the sacrifices and effort they have made throughout the year. In creating a winning tradition, our athletes have contributed towards developing a sense of college spirit and unity and projected a high College profile within the community. Results from the five sports running in this, our foundation year, have been pleasing, and with the prospect of further successes, possibly even at National level to look forward to, there can be no doubt that Launceston College is a key figure in the future of sports development in Tasmania.

RESULTS

Women's Volleyball

Statewide U/17 Competition - Champions
 Northern League Open Women - Grand Finalists (to be played)
 State League Open Women - Runners-up
 Inter-college Day - Champions

 U/19 - David Castle, Mark Blair, Jonathan Mulford
 Senior Sheffield Shield - David Castle

Track and Field and Yachting

are both very well-prepared for their seasons, which commence in the next month or so.

The remainder of term 3 will be very intense with many events in addition to the pressures of exams.

- * Volleyball, Basketball, and hopefully cricket, will be travelling to the mainland for their Australian Schools Championships.
- * A series of visits to feeder schools will be used to encourage year 10 students to apply for the program in 1990.
- * Fundraising events will take on a sense of urgency as athletes and coaches strive to get themselves away.
- * Positions for coaches and athletes in the 1990 program will be advertised.
- * A series of exhibition games will be organised for both publicity and fundraising purposes.
- * The year will conclude with a Jock's Ball to be held following the return of touring teams. At this function, run in conjunction with the SRC, presentations for members leaving the program will be made.

1990 looks to hold some exciting developments for the TAP, with several projects already underway. At this stage there seems to be a very real possibility of the program being adopted in other colleges and 1990 may well be the first year of a full Statewide program. Expansion of our own College program is already underway and several new sports will be included next year, bringing the number of students involved to around one hundred (an increase of approximately thirty).

Tryouts for 1990 will be conducted during the December/January period and all interested students in years 10,11 or 12 who are contemplating being at L.C. next year are urged to attend, as positions are limited and those who do not attend selections will be unlikely to gain a scholarship. Many thanks to all who have been involved in supporting the

LAUNCESTON COLLEGE STAR ON INTER-COLLEGE DAY

The 22nd of June 1989 was "judgement day" for the students of sporting prowess of Launceston College. It was that time of year where colleges from all around the State travelled to Launceston and competed in sports that ranged from debating and chess to cross country running and basketball. Each team was competing for a "SCALP" - a wooden trophy that represents the Secondary Colleges Award for "LEADING THE PACK". "SCALPS" were awarded to those teams that won finals or finished on top after round-robin competitions.

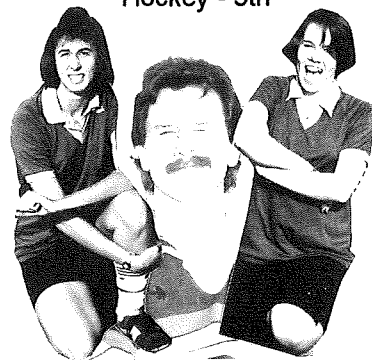

In the final placings for the day, the Launceston College women proved far too superior for the rest of the colleges by winning "SCALPS" in:

Basketball
Volleyball
Squash
B Grade Netball
C Grade Netball
Touch Football

Out of these winning teams the basketball and volleyball girls are members of the Talented Athletes Program. These two teams proved far too strong with the volleyball girls not dropping a set all day and the basketball girls not losing a match.

The women also finished well in the minor placings:

A Grade Netball - 2nd
Cross Country - 2nd
Soccer - 2nd
Hockey - 5th

The men were only able to win one "SCALP", which was won in the Squash competition. However, it seems evident that by the number of seconds and thirds in the results they were unlucky not to win more "SCALPS". As a combination our men and women work well and recorded good results in the minor placings in the mixed competitions:

Squash - 1
Football - 2nd
Volleyball - 2nd
Soccer - 3rd
Golf - L.C.1 3rd
Badminton B Grade - L.C.2 3rd
Basketball - L.C.1 5th, L.C.2 4th
Tennis A - Equal 3rd
Hockey - 6th
Ten Pin Bowling (mixed) -
L.C.1 2nd, L.C.2 7th
D Grade Netball (mixed) -
L.C.1 4th, L.C.1 5th
Debating (mixed) - L.C.3 2nd,
L.C.2 3rd

WOMEN'S VOLLEYBALL & TALENTED ATHLETES

Back Row: (left to right) Natalie Bott, Shelly Redpath, Bridget Wardlaw,
Jacqueline Haase, Raylene Thompson, Carolyn Ryan (Coach).
Front Row: Cherie Sanders, Colleen Ryan, Allison Westwood, Gina Barker,
Tammy Currant.

YACHTING

Anna Miedeke, Julian Konig, Mark Guy, David Erwin,
Steve Moreland (coach).

CROSS COUNTRY

(left to right) Tamara Langton, Melanie Cutler, Lisa Crowe.

Overall, Launceston College had seven champion teams at the end of the day. Two of the women's teams (volleyball and basketball) have now gone on to win a number of other competitions and have qualified to represent Tasmania at the Australian Schools Championships. The Volleyball girls will travel to Canberra and the Basketballers will travel to Brisbane.

The men's number one basketball team (members of Talented Athletes Program) have improved outstandingly since Inter-College Day, and have also won the right to represent the State at the Australian School Championships in Brisbane.

Inter-College 1989, proved that Launceston College is a worthy host of this annual event by running not only well scheduled programmes at each venue, but also by organising facilities, a barbecue for hundreds of students, umpires, buses and the presentation of trophies.

Most of all, it highlighted the skills of some of this College's many talented athletes who participated with competitiveness and in the true spirit of sportsmanship.

Lorisse Dart

CRICKET

Through the inception of the Talented Athletes Program, a scheme initiated by Darren Perry and Brian Turner, a men's cricket team was formed with the main objective to represent Tasmania in the national Gillette Cup Competition.

Under the guidance of Head Coach Gary Goodman the team has already successfully achieved a win against Rosny College earlier this year in April, and which now has us within one win of representing Tasmania in the National Competition at Melbourne in early December.

This crucial game will be played on October 27th and by the time this article is read we should have achieved a victory. We hope!!!

At the present moment we have a talented squad of 13 players, of which 6 have been chosen in various other State under age squads.

We also have the dubious honour of our captain David Castle being selected on the senior State Sheffield Shield squad for '89, therefore becoming one of the youngest members ever.

Hopefully in early December Launceston College will return from Melbourne as the 1989 National Gillette Cup School Cricket Champions.

TEAM MEMBERS ARE AS FOLLOWS;

D. Castle	M. Blair
R. Bassano	J. Mulford
T. Vavrek	A. Norris
J. Stedman	B. Fryett
R. Hodgson	S. Freeburgh
G. Blundstone	T. Beattie
G. Harper	

T. Vavrek

AUSTRALIAN RULES

Back Row: (left to right) Warwick Campbell, Daniel Stratton, Graeme Blundstone, Troy Beattie, Andre Norris, Nick Roney, Grant Harper, Ben Webb, Robert Gormley, Troy Davis, Matthew Thompson, Andrew Ayton, Scott Furley, Mark Blair.
Front Row: Andrew Vozar, Jeff Pearson, Darren Piscioneri, Chris Bennett, Scott Harris, Steven Goldsmith, Scott Lister, Scott Jory, Dene Williams.

BADMINTON

(left to right) Donna Blazely, Rachel Beams, Karen Broad, Samuel Yeoh.

MEN'S HOCKEY

Back Row: (left to right) Choon Peng Lim, Grant Denholm, Adrian Brotherton, Huw Humphreys, Richard Bassano, Scott Henderson, John Chung, Stefan Walters, Neil Forsyth, Jason Mayne.
Front Row: David Cooper, Tim Wood (Capt.), Brendan Jessup, Jason Dell.

WOMEN'S SOCCER

WOMEN'S SOCCER

Back Row: (left to right) Birra-li Law, Miranda Bruyn, Veronica Lawrence, Karen Furley, Melanie Boxhall, Katrina Allford, Allison Brammall
Front Row: Celia Cavanaugh, Gabriel Stannus, Audra Best-Hooper, Trisha Batten, Leigh Mackey.

SOCCER

Back Row: (left to right) Geoff Bromfield, Gerald Van Rongen, Michael Hidding, James Anderson, Duane Vanderburgh, Douglas Mallett, Dean Lowe, Shane Lowe, Jonathon Mulford.
Front Row: Colin Smith, David Chell, Cary Stocks, Stuart Mallett, Andrew Bassett.

WOMEN'S HOCKEY

Back Row: (left to right) Julie Miller (Coach), Allison Simons, Heide Heaton, Nicquel Whiteley, Anna Miedecke, Mary Bushby, Katrina McKenna.
Front Row: Melissa Carins, Angela Coombes, Jane Whitchurch, Helga Pirzl.

After weeks of tough physical training, the L.C. women's soccer team was supremely fit and ready to take on any school in the ultimate quest of the SCALP. The only problem was that we had never played as a team before the big day. We didn't let this unimportant little fact get us down. After listening to the drug addicted (fortunately not steroids) Elizabeth team in the bus on the way to the grounds, we felt we couldn't lose. However, that was before we came up against Rosny, a team, impossible as it may seem, in even more superb form than us. With three state players and playing as a team every Saturday, they were unbeatable. And so, bowing to the inevitable, we lost 3-0.

Beaten, but not down, we used our break between games to replenish our energy. We were then ready to take on Elizabeth College, and were we good? What a silly question, the ball was hardly up the opposition's end and we reigned victors, 2-1. It was then onto the next game against Alanvale without a break.

Fresh from the victory against E.C., we were highly confident of a second victory, and so it was, easily. The final score was 3-0. However, despite being on a high after the last two victories, and positive that we would beat Rosny if there was a final, it was not to be, as no final was played. Rosny won the scalp on goals, but the team that was known to the southerners as Elsie College came a VERY CLOSE SECOND. Thanks must be said to Franco, our illustrious coach, and also Lyn Collins, who spent a lot of their free time on coaching. I hope we made them proud.

NETBALL

Back Row: (left to right) Amelia Coleman, Allison Munro, Sarah Bailey.
Front Row: George Monkhouse, Claire Stokes (Captain), Catherine Sytsma, Stephanie Johnson.

DIVISION 5 AND 8 NETBALL

Back Row: (left to right) Division 5: Alarna Thomas (Capt.), Fiona Nicolson, Rozanne Scharapow (Reserve), Sharon Waldron, Rachael Beams.
Front Row: Division 8: Allison Munro, Amelia Coleman, Sarah Bailey, George Monkhouse, Claire Stokes (Capt.), Catherine Sytsma, Stephanie Johnson.

MIXED NETBALL

Back Row: (left to right) Mark Freemantle, Janette Wright, Catherine Pouwer, Angela Tiemans.
Front Row: Andrew McLean, Peter Irwin, Josh Brownlie.

NETBALL

Launceston College entered four netball teams in this year's inter-college day meet. The Division A and B teams started the day on a winning streak which set the pace. However, with only five minutes remaining in the first match, Division C's opponents, Hobart, arrived. Agreeing to battle for these five minutes, North versus South, L.C. finished ahead by one goal, shot after the final siren. After much deliberation (arguing), the decision was finalised as a draw. L.C. allowed this decision to ride in the spirit of true sportsmanship (right on Steph!). War, though, was declared by Hobart (youse better give us our oranges NOW!) and intuition told L.C. that fate would see them both in the Grand Final. Both teams seemed to have this in mind when playing their next three heats. By this stage in the day, the rostered L.C. teams had secured places in the finals with the mixed team narrowly missing out. As predicted L.C. was to meet Hobart in the Grand Final. Tension ran high as the previously relaxed and friendly atmosphere deteriorated. The battle of North vs South would be settled once and for all. Early in the game Hobart took the lead. L.C. played well but Hobart was playing a superior game. At half-time L.C. was down three (6-9). After a wonderful pep talk (thanks Clancy, Bridget, Roz and Steph) L.C. was back on court with a greatly improved performance. With the crowd heavily supporting L.C., they took the lead in the final minute and held on to take the championship. Hobart congratulated L.C. on their victory, showing no signs of previously held animosity and seemingly content with their second place and then they stole our oranges! Division B won their Grand Final (16-12) but Division A unfortunately missed out, and took second place.

The mixed team hasn't been heard of since their third game and it is suspected they threw in the rest of the day and ran away together (which is just as well, considering the way Justin Rigby and Belinda Jones play netball!)

Amelia Coleman - Claire Stokes

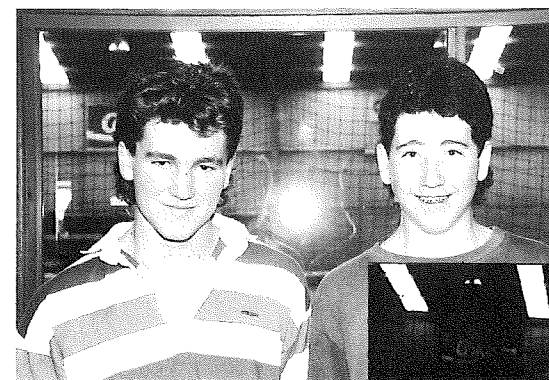

MIXED NETBALL

Back Row: (left to right) Mark Freemantle, Janette Wright, Catherine Pouwer, Angela Tiemans.
Front Row: Andrew McLean, Peter Irwin, Josh Brownlie.

BADMINTON

(left to right) Donna Blazely, Rachel Beams, Karen Broad, Samuel Yeoh.

TENNIS

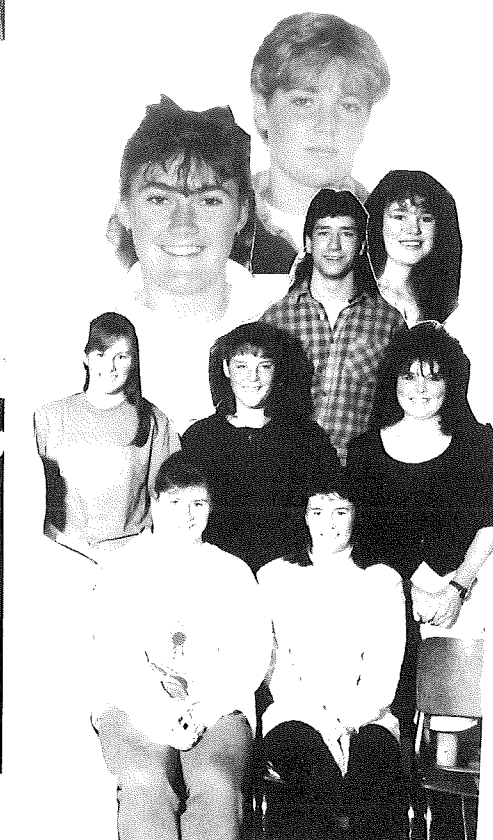

(left to right) Campbell Sullivan, Terry Speer, (Boys)
Maree Allen, Trudy Franklin, (Girls)

1989 has seen a number of students from Launceston College have the honour in representing Tasmania not only in sport but also in public speaking and music.

Launceston College therefore pays tribute to the following ...

STATE REPRESENTATIVES

Andrew Gregson - Debating
Kylie Walker - Public Speaking
Jodi Crerar - Public Speaking
Katherine Lansdell - Music
Kellie Hinds - Netball
Sarah Morgan - Skiing
Alison Brammall - Orienteering
Shelly Redpath - Volleyball
Colleen Ryan - Volleyball
Teena James - Squash
Andrew Ayton - Football & Athletics
Nick Roney - Football & Athletics
Colin Smith - Judo
Deanne Grant - Netball

WOMEN'S HOCKEY

Despite a lack of players, the 1989 women's hockey team took to the field with enthusiasm and vigour.

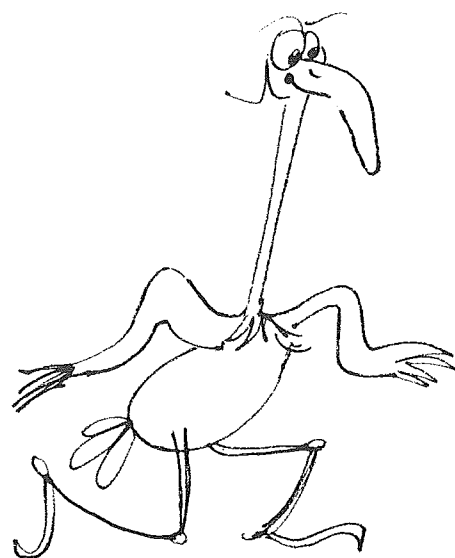

Under the expert guidance of Coach Julie Millar, and in wet conditions, we played our first game for the day. This was against Hobart College. We played well, having hurriedly recruited two players who had never touched a hockey stick before. We lost, most gracefully, 3-0.

Our second game was against another Southern team. This time Rosny College had obviously prepared for this game and defeated us soundly. We finished the day still searching for the elusive goal.

For a team that had never trained or played together before, I feel that we did extremely well to finish sixth out of eight competing teams. Congratulations to Rosny College for taking out the SCALP for 1989.

Thanks must go to coach, Julie Millar, the men's team for their unbelievable support, and to the team themselves: Jane Whitchurch (C), Angela Coombes (VC), Katrina McKenna, Alison Simons, Niquel Whitely, Anna Medecker, Mary Bushby, Melissa Cairns, Helga Pirzl, Heidi Pirzl and Joanne Baxter.

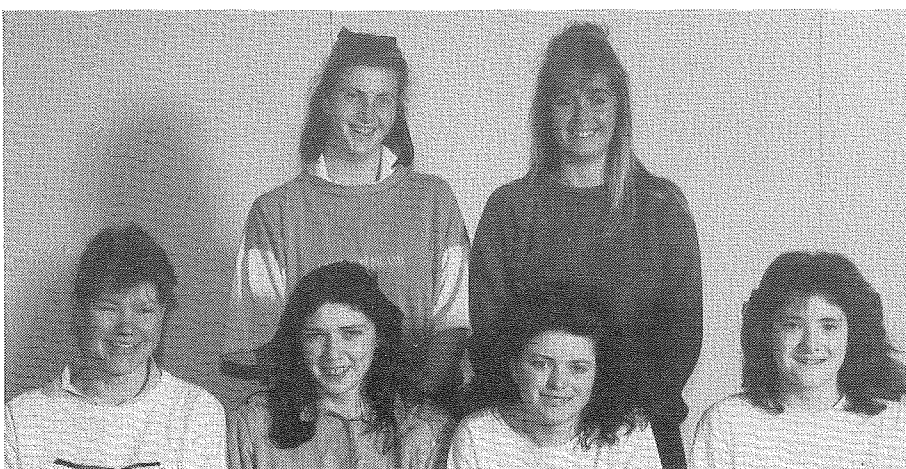

Jane Whitchurch (Captain)

TEN PIN BOWLING

Front Row: (left to right) Rob Foggo, Dave Campbell (Capt.), Dean Williams, Scott Jory.

Back Row: Damien Burt, Damien Blackwell, Richard Pugh, Stewart Freek.

NETBALL

Back Row: (left to right) Division B. Fiona Nicolson, Melissa Hay.

Front Row: Division A. Alarna Thomas, Sharon Waldron, Paula Deegon, Andrea Parkin.

WOMEN'S SQUASH

(left to right) Susan Bower, David Henderson (Coach), Teresa Wiggans, Narrinda Faulkner, Teena James.

MEN'S SQUASH

This year was an extremely successful year for Men's Squash. The No.1 team being undefeated for both Inter-college Day and the Theogenes Schoolboy's Pennant. We had two teams on Intercollege Day, with Team 2 coming third. During the Schoolboy's Pennant, L.C. had 3 teams with Team 2 coming fifth and Team 3 coming seventh. This year's undefeated team consists of:

Michael Worker, Simon Stebbings, Hugo Iruretagoyena and Sonny Foster.

MEN'S SQUASH

Back Row: (left to right) Jon Pugh, Hugo Iruretagoyena, Sonny Foster, Michael Worker, David Henderson (Coach).

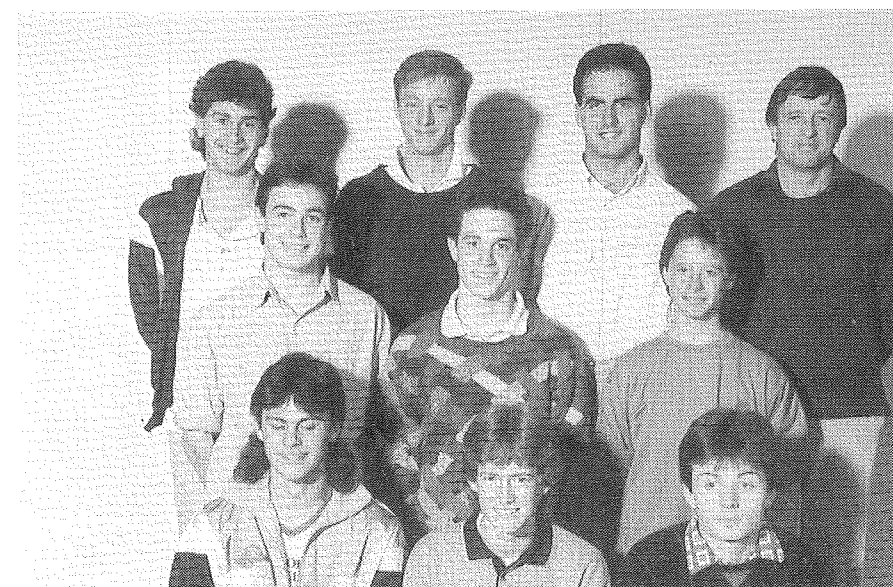

Front Row: Chris Mastnak, Simon Stebbings, Bruce Reardon, Tim Smith.

WOMEN'S SQUASH PENNANT TEAM

Back Row: (left to right) Teresa Wiggans, Peta Lynne Hay,

Front Row: Teena James, Susan Bower, David Henderson (Coach).

MEN'S SQUASH

Back Row: (left to right) Team 1: Micheal Worker, Sonny Foster, Hugo Iruretagoyena, David Henderson (Coach).

Middle Row: Team 2: Johnathon Pugh, Steven Fritsche, Steven Bartlett

Front Row: Team 3: Jason Mayne, Bruce Reardon, Lloyd Aldred.

Absent: Tim Smith, Chris Mastnak, James Cannell, Simon Stebbings.

WOMEN'S SQUASH

Once again, carrying on a tradition as it now seems, the Women's Squash team has been undefeated all year. The "SCALP" winning team consisted of Teena James (Captain), Susan Bower, Teresa Wiggans and Narrinda Faulkner. Losing one team member, but gaining another in Peta-Lynn Hay, they then proceeded to continue on their winning way when they played in the School Pennant Grand-Final against a hard trying Queechy team, results being a pleasing 4-0 win.

TENPIN BOWLING

On Thursday 22 June the Launceston College tenpin bowling teams were ready to take on the world - or at least the bowling alley. Everyone was confident and we were sure that we were going to win. Unfortunately that wasn't the case. The Launceston College 1, 2 and 3 teams came second, seventh and twentieth respectively, with scores of 1090, 929 and 632. Elizabeth College 1 came first with a score of 1288 and Alanvale 1 came third with a total of 1055. Although we didn't win, the day was a great success with all teams enjoying themselves. Good luck to next year's team!

BASKETBALL NO.2
 Back Row: (left to right) Steven Degetto, Andy Gray, Steve Hollister (Coach)
 Front Row: Bret Skipper, Jeremy Oliver, Anthony Reader, Ian French, Dean Williams.
 Absent: Andrew Reader, Marcelo Senif, Brendan Walker.

TOUCH FOOTBALL
 WINNER OF THE INAUGURAL TOUCH FOOTBALL INTER-COLLEGE COMPETITION.
 Back Row: (left to right) Corey Smith, Callum Dick, Daryl Wykes (Capt.), Simone Woodruff, Tanya Davidson, Belinda Berresford, Steven Taylor, Pip Stanley, Bernd Meyer (Coach), Melissa Henderson, Matthew Web.
 Front Row: Lawrence Cooke, Sharyn Lawrence, (Coach), Rachel Brain, Katrina Harrison, David Irwin.
 Absent: Debbie McKay, Dana McLean.

VICKI DAYMOND AWARD

The Vicki Daymond Award is a perpetual award. Since 1976 it has been presented annually for outstanding merit and achievement. It seeks to recognise the student whose outstanding personal achievement demands special recognition or recognises the student whose personal efforts have benefited his/her fellow students. It is interesting to note that the award in 1976 was shared between Penny Gray, who later represented Australia at Hockey, and Ralph King who was Victoria's Rhode Scholar in 1981. This year's winner is Sarah Gregg, outstanding swimmer and student.

WHAT IT IS A BURNING FLAME
A FIRE OUT OF CONTROL
WHAT IT IS A CHANCE IN THE WORLD
FOR SANITY DOWN THE ROAD
WHAT IT IS. A SIMPLE THING
THAT EVERYBODY NEEDS
WHAT IT IS THE CHANCE TO BRING
ALL OF US TOGETHER
LOVE SOMEBODY
