This year our student population reached 1500, just one indication that this grand old institution remains highly regarded by the Northern community as a highly effective college in which to pursue both academic and training pathways.

This college continues to evolve however, and those alumni who last visited Launceston College a decade ago would most likely be highly surprised with the developments that have been undertaken behind the street façade that many within this city pass by on a daily basis.

Our philosophy has been to retain the core values and strengths of the past whilst at the same time developing programs and infrastructure to meet ever changing educational and training needs of the future.

The result is a university style environment and facilities that rate amongst the best in the state.

Great organisations, however, need much more than new bricks and mortar hence the significance placed on developing a Launceston College in which human interactions promote a physically and emotionally safe environment and facilitate personal confidence and higher level learning.

I indicated that our philosophy has been to retain core values and strengths and amongst these: tolerance, compassion, respect, cooperation, flexibility, understanding, honesty and ethical behaviour are evident to me across the college on a daily basis.

We are rapidly approaching the Centenary Anniversary of the Launceston High School - the organisation which morphed into Launceston College via a number of changing forms and locations.

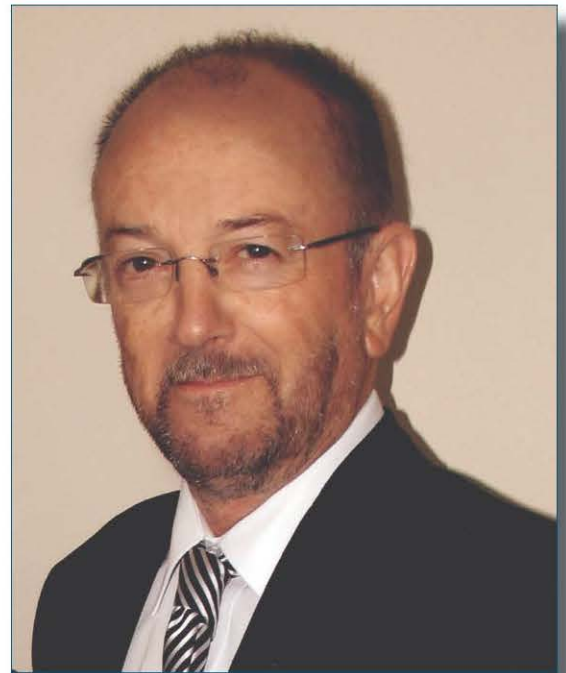

The official opening of the high school was on the 8th February 1913 in Charles Street, however, in 1915 the high school moved to current site, after leveling of the old gaol site was finalised and the new building completed.

We plan to celebrate the beginning of high and senior high school education in Launceston in 2013 and we would like all old scholars, parents, teachers and indeed all those involved with the Launceston High School and Launceston College in its many forms to contribute the stories, the characters and the events that are the real history of this great organisation. We also plan to celebrate the opening of this specific site in 2015.

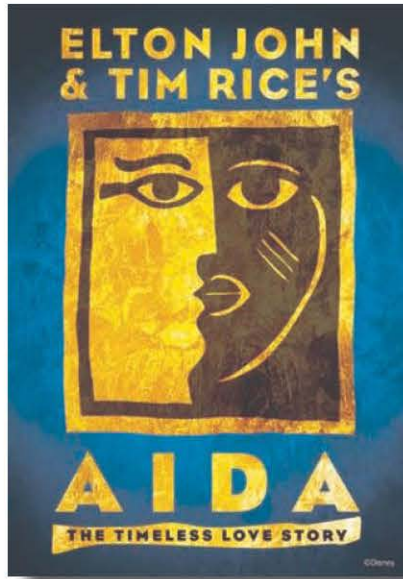

Please keep an eye on the local media for the launch of the Centenary website and in as many ways possible, inform our broad alumni of the upcoming celebrations, so they too can become involved.

Meanwhile, our wonderful class of 2011 join the ranks of thousands of Tasmanians who are alumni of this college. We wish you the very best for your future.

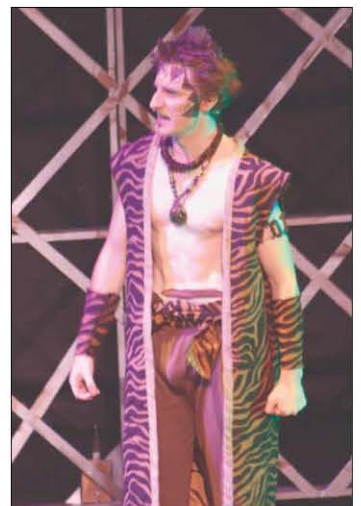

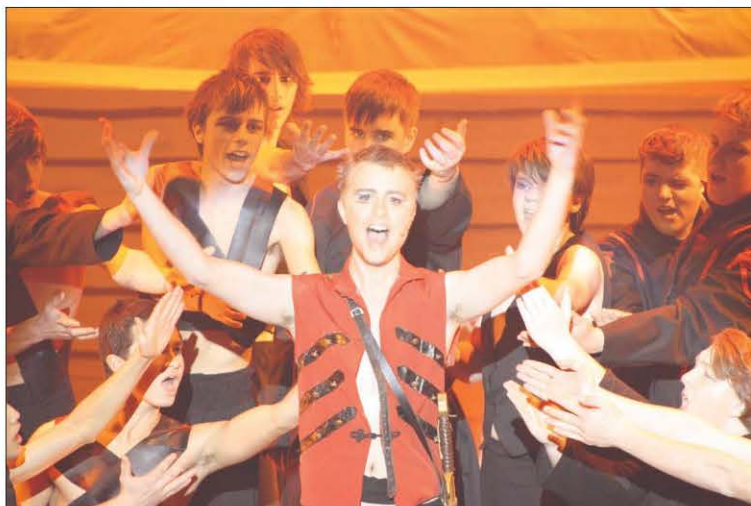

Keith Wenn

UTAS COLLEGE PROGRAM - 'OBJECT DESIGN'

UTAS College Program for 2011 in the Textiles Area

Unit Title: 'Object Design'

Tayla Milner, Luisa Leauanae, Claudia Munnings and Demi Morgan accepted the challenge and researched either a:

- design icon
- a significant designer or a
- design movement from contemporary or past time.

This research then helped them to plan and develop a 'Future Classic', that is an item or object that they think will be a 'classic' in 50 years time. Part of the brief was to use contemporary and/or sustainable materials and processes.

Luisa (Lulu) used the 'classic flannelette shirt' and manipulated the traditional style to create something new and more feminine, which was also eco friendly. Lulu certainly changed this Aussie icon!

Tayla took inspiration from 'Audrey Hepburn and that little black dress!' She created a number of 'over bodices' from 'pre-loved' clothing which then enabled the garment to be changed in appearance. Stunning!

UTAS COLLEGE PROGRAM- 'OBJECT DESIGN'

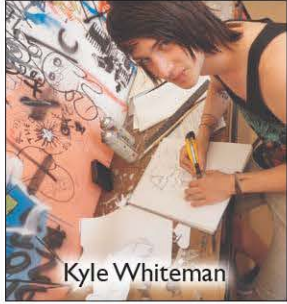

Claudia's design reflects the past and the present, whilst giving direction for the future. Her inspiration was the 1920's 'Flapper' dress and its tubular shape which revolutionised fashion during the 20th century and freed women from the constraints of the Victorian era. Claudia's use of jersey fabric sourced from sustainable and recycled materials enabled her to manipulate the fabric to produce new patterns and textures. Wow!

Demi used calico and recycled newspaper to create her beautiful and eco-friendly design. This combination made her gown both sustainable and appealing to present and future clientele. The style reproduces the memorable 1800's silhouette with a twist in influence from the 1950's resulting in an essentially 'hourglass' figured bodice. Dreamy!

INTERNATIONAL STUDENTS & LCAAP

STUDENT DIRECTED INQUIRY

Sharyn's sensational Line 2 class.

Highlights:

- Demi and Claire F's fashion parades
- Bec's award for the brightest LC hair colour
- Janani as the best independent school import for 2011
- Claire L- wombat wrangler
- Jake as Australia's representative in the International "But, but, but" competition
- Sharyn not being arrested for student torture in October in the lead up to the presentations.

Jodie Blackburn and the fantastic Line 1 class.

Highlights of the year:

- Locksley changing the world but not changing his habit of not finishing work
- Tammy's outstanding performance in Aida
- Grace setting a new LC record for an SDI report- 21,000 words
- Jodie being imported from Q'land to share the teaching load
- Elliott's hair

There were 13 students in Certificate III in CHildren's Services in 2011

MUSIC at LC (A snap shot of the musical year!)

January

Performing Arts Music Summer School

The musical year started with a Performing Arts Music Summer School in January. This was an outstanding success attracting over 100 participants for Symphonic Band, Vocal Music for the Stage and Classical and Flamenco Guitar. The Summer School attracted sponsorship from Barratts Music, The Tasmanian Bands League, Billy Hyde/Allen's Music (Aust), Encore Theatre Company and the Tasmanian Conservatorium of Music.

March

Audio and Contemporary Music students performed at the:

- "Mind Body and Soul Festival"
- City of Launceston Launceston "Crazy Day"

April

Youth Week

Four contemporary rock bands performed at the Tailrace Centre for Youth Week. This was a great event which attracted a large enthusiastic audience. This was followed by Youth Week Concert in Deloraine and Launceston's Youth Week Expo. Jeremy and Yum Williams - UTAS String Masterclasses. Mr and Mrs Williams from the Tasmanian Conservatorium of Music worked with College string students.

Anzac Day

The Launceston College Symphonic Band performed at the Evandale ANZAC Day Service.

Every Wednesday evening LC Contemporary Music students performed live at Alchemy.

May

Riverside High School Breast Cancer Fundraiser

Launceston College contemporary bands performed for the Riverside High School Breast Cancer fundraiser.

Visiting Artist Andy Simon

Launceston College hosted a master-class sponsored by the Tasmanian Conservatorium of Music with International Clarinetist Andy Simon (Principal Clarinet Hong Kong Symphony Orchestra).

Jan Sedivka Camerata

On Friday 13 May Launceston College hosted a performance by the UTAS Conservatorium of Music Jan Sedivka Camerata string orchestra.

Harry Murray Medal Display Opening Launceston Museum and Art Gallery

Following the Symphonic Bands performance at the Evandale ANZAC Day service Senator Guy Burnett invited the Band to perform at the official ceremony of the Harry Murray Medal Display. Harry Murray (born in Evandale Tasmania) is the most decorated Australian soldier in history and this event will mark the first time his medals have been displayed in public in Tasmania. It was quite an honour for our Band to be invited to attend and as a result the Director of the Launceston Museum and Art Gallery Richard Mulvaney opened up the upper balcony of the gallery for the event.

Tasmanian Principal's Conference Cocktail Party

Several Launceston College music students performed at the Tasmanian Principal's cocktail party at the Grand Chancellor Hotel.

Launceston Competitions

Symphonic and Concert Bands: Students in the Launceston College Band program performed in both the Secondary Concert Band and Open Concert Band Sections. Both bands performed with distinction. The Concert Band won the Secondary Band Section with 95 points and the Symphonic Band won the Open Concert Band section with 98 points! The adjudicator Professor Thompson from NSW said that it was the highest mark that he has ever awarded in any eisteddfod or any other competition in Australia. So congratulations to all students in the Concert and Symphonic Bands.

An outstanding effort!

Vocal Ensemble: The Launceston College Vocal Ensemble under the direction of Jenny Bakun and accompanied by Mr Robert Allen won the U19 Examiner Shield with four part vocal arrangements of "The Longest Time" and "Shine on Me". This was the third year in a row that the College has won this prestigious choral award. Well done Jenny and the ensemble!

LC hosted the Contemporary Music Section of the Launceston Competitions

In the Contemporary Section of the competition Launceston College Band "Shifting Focus" gained first place and "Revenue" gained

third place. This event attracted many bands from a range of high schools and colleges. Launceston College entered seventeen rock bands! In the original composition Launceston College was awarded 1st, 2nd and 3rd placings. Well done to all students and teachers!

June

LC Holiday Music School

During the June School holidays LC hosted a Music School for Concert Band instrumentalists. Major Peter Grant (retired Australian Army Band) was the conductor in residence for the school which attracted over 60 participants.

July

Mark Eager (UK) Band Workshops

Mark Eager, conductor of the Welsh Sinfonia (UK) conducted a series of workshops and master-classes with Contemporary, Music 3 and Symphonic Band students.

Aida

College Musical Production "Aida" involved many music students on and off stage including the wonderful stage orchestra under the direction of Jenny Bakun.

Mark Edgar with workshop participants

August

Clifford Craig: Music Festival Concert (Albert Hall)

The Launceston College Symphonic Band performed for the Clifford Craig Music Festival Fundraiser concert in Launceston's Albert Hall.

Launceston College Battle of the Bands 9th August

Many talented Launceston College Rock bands played off for a place in the Tasmanian Rock Challenge

Tasmanian Rock Challenge

LC Bands come 2nd overall and won best original. Seb Allcock gained a music scholarship. A fantastic effort! Many thanks to Adam Langridge and Tony Guterrez

Melbourne School Bands Festival (Gold Shield Award)

The Launceston College Symphonic Bands made up of 49 instrumentalists performed at the Melbourne School Band Festival at Monash University on 26-27 August. The band gained glowing reports from the three adjudicators and festival organisers on the outstanding quality of their performance. The Symphonic Band was one of only ten bands (from a field of 60) to be awarded a Gold Shield. Pieces performed included Fate of The Gods, Hymn for Band and A Huntinton Celebration. An amazing effort.

Audio students: Junction Arts Festival 22– 26 August

Dance Fever (Music Student Dance Fever Band) 30th August – 1st September

LC Music Foundation Studies UTAS String Workshops with Jeremy and Yum Williams.

September

September Holiday Music School

This school attracted nearly concert band 69 students for three days. Visiting guest Conductor Mr Dean Hunt from Hobart directed the Symphonic Band.

October

LC Jazz Band

Launceston College Stage Band performed at the Launceston Jazz Club "Royal Oak" 27 September and 25 October.

Tasmanian Band Championships (Hobart 8-9 October)

The College entered three bands in the 2011 championships with a total number of over 88 students. The Junior Concert Band under the baton of Mat Dudfield performed four pieces to international Tuba player Les Niesh. They gained a massive round of applause from a very large and appreciative audience at Friends School in North Hobart. The Junior C Grade Band and Open C Grade Bands under the baton of Peter Quigley performed with distinction winning both sections for the third consecutive year.

November

College Graduation 2011

Music Items for this event included music by the College Stage Band featuring singer Cassie Szabo. The LC Symphonic Band, singer Kate Jesson, the LC Vocal Ensemble and the Dance Fever Show Band.

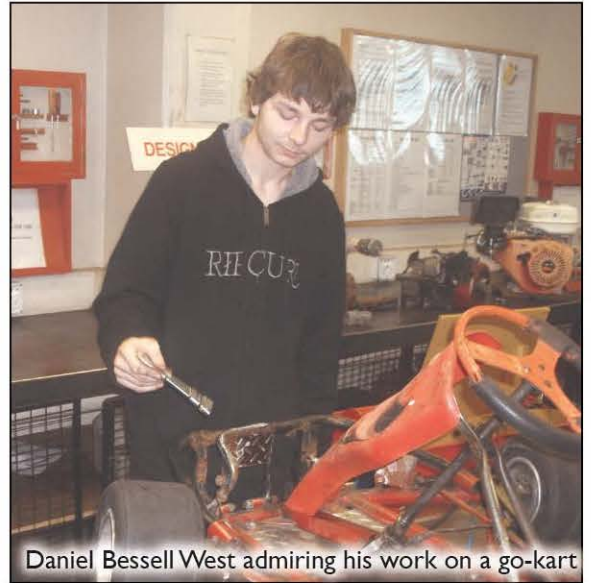

Launceston College/Esk Primary School Extravaganza Concert (Princess Theatre 25 November).

Over 400 students from Launceston College, eleven primary schools and two high schools performed to a capacity crowd in the Princess Theatre.

MATHS COMPETITIONS

Team B – Steve Nguyen, Cheng Xu, Akshan Keenoo and Seung Lee

(back) Cheng Xu, Seung Lee, Steve Nguyen
(front) Lewis Nothrop, Dustin Le, James Smith

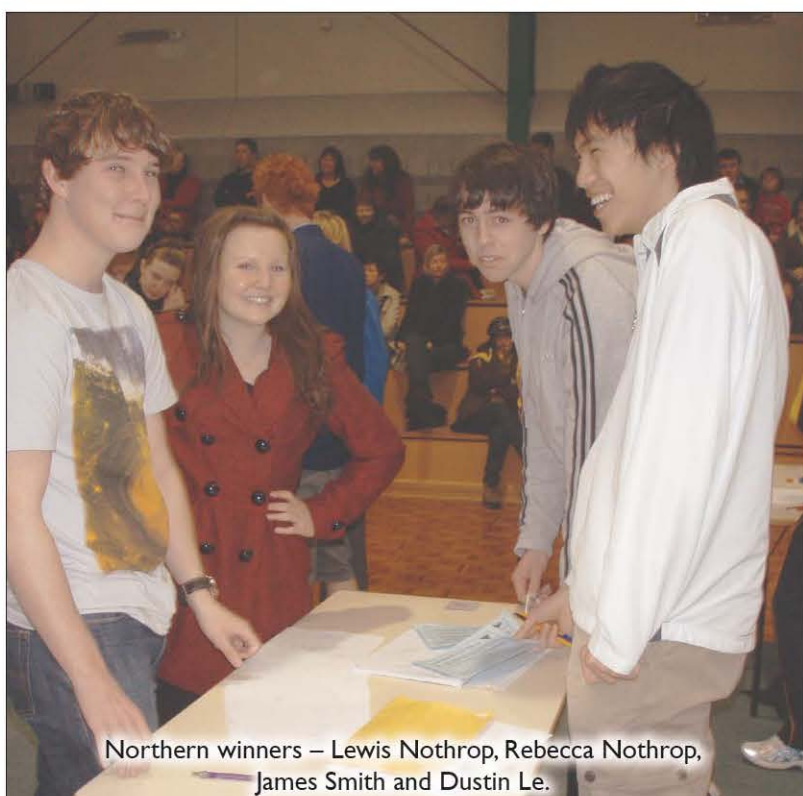

In May, 6 students sat the Tasmanian Maths Competition. Students had 3 hours to answer 10 very difficult questions.

August is a busy month for Maths Competitions. 17 students finished their midyear exams and then, in the same week, sat the Australian Maths competition. LC students gained 4 Distinctions, and 8 Credits in the competition. Distinctions were achieved by James Smith, Dustin Le, Lewis Nothrop and Abigail Beales. Well done to all students involved.

Team B working on a problem

Northern winners – Lewis Nothrop, Rebecca Nothrop, James Smith and Dustin Le.

INTERNATIONAL EXPEDITION - NEPAL

Following the end of year TQA external exams, these adventurous outdoor education and outdoor leadership students will have their bags packed and be flying off to undertake an expedition in the Everest region of Nepal. It's a journey of personal discovery, a preparation for a challenging future.

International Expedition in Nepal has been an integral part of the outdoor education program at Launceston College for the past 16 years; it's about international adventure travel for students. The concept was initiated and implemented by Mick Ling, Outdoor Education coordinator at Launceston College and enables students participating in the expedition to gain accreditation in the TQA subject Outdoor Education (Expedition) 2.

Students learn about leadership, gain self-confidence, are challenged to make decisions, show initiative and take responsibility. They discover the value of patience, humour and teamwork, gain a finer appreciation of their own country and learn more about themselves and about achieving goals. Above all else, they will enjoy the adventure of being alive and having a lot of fun!

(back) Nicholas Tilley, Jackson Rosevear, Shaelyn Van Brecht, Megan Lawson, Bianca Jones, Emily Cox, Melanie Withers, Zoe Willis.
(front) Coen Marshall, Julian Wissmann, Shaun McDonough. (absent, Robert Strong, Grammar)

In signing up for a 23 day expedition to Nepal, these students are broadening their horizons. Nepal presents students with a range of experiences and challenges - cultural, physical, environmental and intellectual - it's about discovering new places, new people, travel and adventure.

The trip is organised through the Australian international adventure travel company **World Expeditions**, and over the years the expedition has significantly benefitted from the ongoing staff and product support provided by the local outdoor adventure equipment retailers **Paddy Pallin** and **Mountain Designs**, with **Tassie Tees** responsible for the eye catching expedition t-shirt.

This a classic Himalayan trek in the Everest region of Nepal, challenging and rewarding. Students experience an exhilarating Himalayan flight from Kathmandu to Lukla (and return), interacting with Sherpa culture and wandering through Namche Bazaar and its captivating markets. Apart from enjoying the spectacular mountain scenery and glaciers of the Khumbu region, students spend time in local villages, a school and hospital, and Thyangboche Monastery (Tibetan Buddhist). A highlight of the trek will be climbing Gokyo Ri (5483m), providing stunning views of Mount Everest and the surrounding massive 8000m peaks of Makalu, Lhotse and Cho Oyu.

In Kathmandu students will explore the numerous World Heritage Sites (more than any other city in the world) – such as Durbar Square, Swayambhunath (the Monkey Temple), Pashupatinath (a major Hindu shrine) and the giant Buddhist stupa at Bodnath – and the extensive markets, excellent book shops and handicrafts, and fascinating centres of cultural and spiritual significance.

Rather than the journey of a lifetime, the International Expedition in Nepal should be the first of many such journeys students will undertake.

DRAMA

2011 has been another exciting year in Drama. We started the year by welcoming a new teacher Cheyne Mitchell into the area, along with a number of excited Year 11 students. The Year 12 Theatre Performance classes attended a camp in March which aimed to increase their dramatic ensemble skills and to help the students, who came to the two classes from a variety of backgrounds, work together in a positive manner. The camp was a huge success with the dinner, where the students dined in role as themselves in 10 year time, being particularly memorable. The Theatre Performance students then went on to put on mid year shows in May – with Line 2 presenting a beautiful play *Coram Boy* and Line 4 a hysterical version of *A Mid Summer Nights Dream*.

A highlight of the year was the production of *Romeo and Juliet* at the Princess Theatre in April. Students involved worked with theatre professionals Michael Edgar, Jane Johnson, Travis Hennessey and Frank Kerr, who both mentored the students and also acted in the show with them.

Notable performers were Bonnie Harris who was phenomenal as Juliet; Catherine Binns who was perfect as The Nurse; Jake Pike, Dominic Bratzel and Josh Rae who all shone as the young males; and Alex Thompson, Rennie Watson and Toby Heiniger in smaller but beautifully performed roles. Stage managed by Adelle Enniss the show was a chance for our amazing technical theatre class to have hands on experience of putting on a show. Nicole Lewis our Drama teacher also directed the play *Osama the Hero* for CentrStage which starred Cheyne Mitchell and Year 12 student Ella Hunt.

The cast from Romeo & Juliet

Term One ended with success at The Launceston Competitions and a Melbourne Trip. The trip included workshops at VCA, the Tutankhamen exhibition and theatre shows *Rock of Ages* and *Next to Normal*. Another real highlight was our first night bowling and Karaoke night.

The Melbourne Trip group

Melbourne Trip

Melbourne Trip

The College Production was in June, where our technical theatre students, lead by Bradley Good and Michael Booth as stage managers, once again were able to demonstrate their considerable skills. The Drama 3 class then put on their mid year show *Beach*. The show was an exploration of the place of the Australian beach in our culture and history. The students worked well together to pull off this challenging play, which they also have to write about in their written exam. Drama 3 students Will Nicholson and Emma Handley also travelled to Canada as part of SYTT's production of *Chasing a Sound like Rain*.

Drama 2

At the end of Term 2, Launceston experienced the second Junction Arts Festival. A number of our students were able to get involved in this. Caleb Jones from the tech theatre class was an invaluable asset to the festival team working across a number of areas. We once again hosted an event with Polyglot Theatre from Melbourne putting on *How High is the Sky*, a show aimed at babies in the Drama room. Rowan Farbrother was seconded to work with them and did an outstanding job. Drama 3 students also helped to run a huge treasure hunt, Seek. Some staff and students are currently working on a project for next year's festival which sees them exploring the concept of Loveliness and passing it on.

At the time of writing the Drama 2 students are busy preparing their children's theatre, *Sleeping Beauty*, to be performed in early November to hundreds of primary school students in our out door theatre. Lessons learnt from working with Polyglot will be employed in the show – with the set being built from cardboard and the use of helium balloons to create

a forest. All pre tertiary classes are busy working on their end of year exams.

Alex Thompson receiving his award

Alex Thompson finished off two years of outstanding musical theatre work by winning the Launceston Musical Society Judy Yates Award, an outstanding achievement.

At the end of the year it is always hard to say goodbye to our Year 12 students and this year is particularly hard as our students are so connected to the department and the college.

To all of them, especially those going onto a Performing Arts pathway we wish you all the best and thank you for your contribution. Special mention to our kitchen captains Sean Brown and Hannah Boddell, and to our stalwart Bronwyn Radford.

Liz Bennett (Teacher)

FORMULA ONE IN SCHOOLS

Launceston College wins Formula One in Schools State Final

Five Launceston College teams participated in the State Final of the Formula One in Schools Design Challenge. This event is promoted nationally by the Re-engineering Australia foundation as a way of promoting careers in Engineering for young Australians. This year, Launceston College teams all performed well across the range of judging criteria including booth presentation, design scrutineering, verbal interview and racing.

Pure Racing

Pure Racing team consisting of; Isaac Donaldson, Mat Russell and Jack Williams.

The Pure Racing team are the overall state winners.

They won their categories for;
Best Team Marketing,
Best Engineering Design,
Best Team Portfolio and
Outstanding Industry Collaboration.

Pure Racing will represent Tasmania at the National Finals in Adelaide in February.

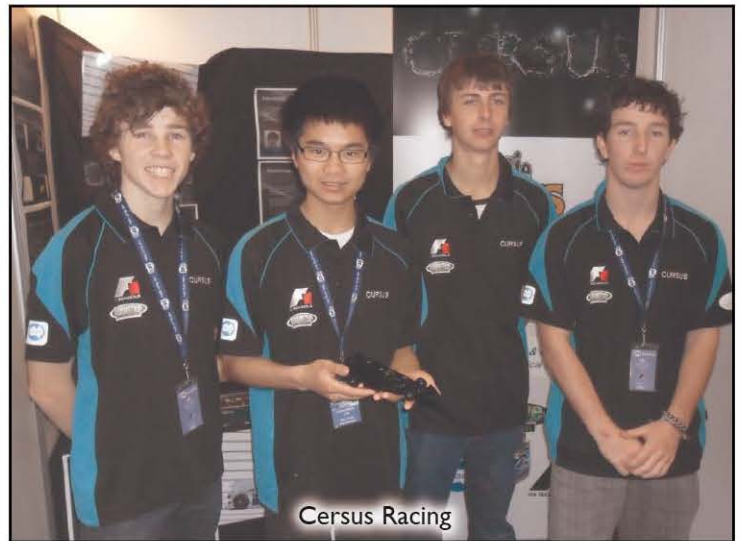

Cursus Racing with Tom Davern ,Zi Feng (Billie) Huang, Daniel Scott and Mitchell Knowles won the *Innovation Award* in Professional Senior Class.

Superluminosity involving Mark Bennet, Liam Greene and Jack Boyer won *Fastest Qualifying Lap* and *Grand Prix Race Award* as well as the *Runner Up* award in Professional Senior Class.

The Tassie Rockets team consisted of Indra Timsina, Ghana Koirala, Assice Tiwari, Indra Bhandari and Bisal Tiwari. Tassie Rockets achieved very good scores on all judging criteria.

Also represented were: East Coast Racing including Joshua Male, Brody Mitchell, Tyler Pitstock and Aaron Purton.

SCIENCE

We had numerous lecturers on such diverse areas as Superconductivity, Large Hadron Collider and The Expanding Universe. (Maybe not so diverse after all!)

One of our students, Tristan McCarthy, has managed a trip to Russia through the National Youth Science Forum. He also just happened to be on the winning model car FI International Competition in Malaysia and on our winning the Australian Institute of Physics competition for Senior Secondary students across Tasmania. Other members of the winning team were Gavin Lewis and Shayan Hekmatshar.

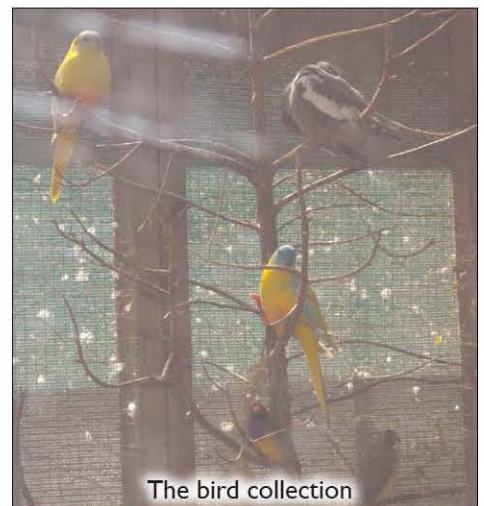

Another competition that our College entered was the Titration Competition but, this time, we didn't score so well. Never mind there is always a next time.

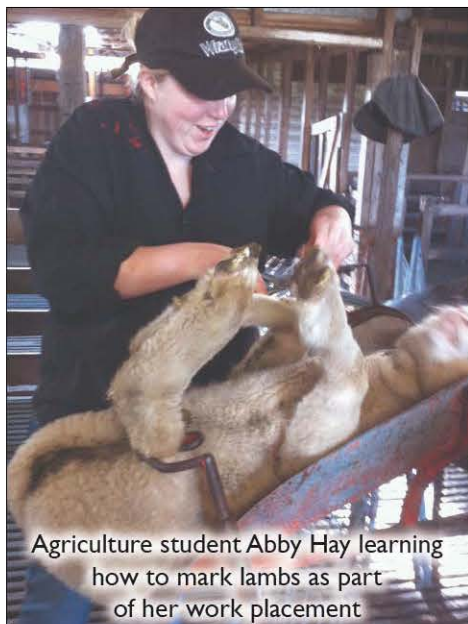

Jason Dicke, Tristan McCarthy, Gavin Lewis, Shayan Hekmatshar and Udo Westernneg

Our Animal Studies program has set up an aviary with native birds. The cockatiels in particular have managed to get themselves into trouble with one getting its leg trapped in a cord while another managed to knock a water bowl over on itself. The sight of a moving water bowl with legs was amusing but could have spelt long term trouble for the bird. It is the ferrets that cause the greatest interest and amusement to all who meet them. They have high intelligence and are very mischievous.

Biology and Environmental Studies have, as usual, had great field trips and collected large amounts of data for students to analyse.

The bird collection

Agriculture student Abby Hay learning how to mark lambs as part of her work placement

APPLIED ENGLISH

This year in our grade 11 English Applied class we have done many and various things. One of the main topics we worked on was Teenage Issues. In this module we did a lot of things that relate to us as teenagers. We brainstormed the things we thought were a problem and worked through them one by one. Although there was a lot of talking and mucking around, we all learned a lot.

We had a few visitors including Susie, the College's drug and alcohol counsellor and Michelle, the College's on campus police officer. It was really educational for us and we learnt a lot about different drugs and the dangers of these. We also talked about where you would end up if you did choose that path. After talking with them we were set a project where we had to choose one of the issues and do a presentation to the class.

Natasha Kimberley

Joshua Jones

During second term we had a talk with people from the Human Library. Each of them had a very different background story that they shared with us. A woman from France told us about her move over here and how she has been stereotyped all her life. Another woman had grown up in a refugee camp. And an older man told us about being an only child and his struggles through life.

We learned a lot from these stories and understood how much people are judged just because of their background.

Early in third term we visited Riverside Primary School to meet and read to the people in 1-2 Yates. We sat down at a table with two or three kids each and introduced ourselves to them.

We had a great time with the kids and I'm sure they had just as much fun as we did. We sent e-mails to them and are now waiting for them to write back.

Rebecca Muir

In the last few weeks of term our class will be going on a well-deserved trip to Hobart where we will play Laser Tag, visit the city museum and do a little bit of shopping. It should be a lot of fun and we are all very excited. Over all it has been a fun filled year full of lots of laughter.

Brooke Piper

We hope that Danae's class next year will have the same fun that we have.

FAREWELLS

At the end of Term 1 Launceston College farewelled the following long serving members from our staff team: Barry Woolston, Heather Hill, Loreen Sulzberger, Andrew Smith, Phillipa Pitt and Natalie Heiniger. In total these staff members have committed over one hundred years of outstanding service to Launceston College.

We wish them all the best for their future endeavours and thank them for their commitment, support and dedication to our College.

Barry Woolston

Heather Hills

Loreen Sulzberger

Andrew Smith

Natalie Heiniger

It was with much sadness that we farewelled our long serving Social Worker Nat Heiniger at the end of Term 1. Nat has taken up an exciting position in another government department and we wish her every happiness in her new role.

Nat worked at the college for a number of years and worked closely with our Student Support team on assisting Launceston College students in a number of areas.

In recent times Nat worked with other agencies on the provision of road safety/ driver education programs at the college in addition to her work in the support area.

Nat also was a key member of a range of committees including the College Ball Committee and served them well during her time here. We'll miss Nat's humour, infectious personality and 'can do' approach and we know her new clients will appreciate her hard work and initiative.

Phillipa Pitt

A long standing teacher at Launceston College retired this year. Phillipa Pitt has been a valued member of the maths teaching staff for over 20 years. During that time she has contributed significantly to the learning of many of LC's academic students.

Students will remember Phillipa for her commitment, for the very high standards she expected of them, for her love and enthusiasm of mathematics and for her annual Purple Pi Awards.

In her retirement Phillipa will still be working hard - on her golf handicap, on her saxophone and on her bridge hands.

We wish her well in her retirement.
