

CHC22015 Certificate II in Community Services (Childcare focus)

Interested in helping children learn through play? This qualification gives you an insight into early learning settings and the role education plays in supporting children's development. You'll build skills in communication, teamwork, and care while gaining experience in a supportive, hands-on environment.

In this course, you may:

- gain the skills to ensure the health and safety of children
- promote and provide healthy food and drinks
- develop the skills to work with diverse people and communicate with parents/guardians as a first point of contact
- participate in simulations, excursions, and a practical work placement.

Career pathways

This qualification provides a pathway to further study, a traineeship, or a career in early childhood education and care. At this level, roles take place under direct supervision within clearly defined guidelines. Possible roles could include:

- early childhood educator / childcare educator
- kindergarten / preschool assistant
- family day care / long day care educator
- nanny or in-home childcare provider.
