

SHB20121 Certificate II in Retail Cosmetics

Are you someone who loves testing out the latest beauty trends from Tik Tok? Do you enjoy helping other people feel their best? Looking to take your skincare obsession to the next level? This qualification may provide you with the skills and knowledge for demonstrating and selling beauty products in a retail setting.

In this course, you may:

- gain the skills to design and apply makeup
- learn how to operate a point-of-sale system and how to manage stock
- gain the skills to effectively provide advice to customers
- create a product display
- gain the skills to communicate as part of a salon team and maintain professional standards when using social media
- take part in a work placement.

Career pathways

With this qualification you may be able to work as a retail sales consultant in a beauty setting such as a hairdressing salon or retail outlet. It also opens the door for further training in beauty therapy.

Further study pathway
