You will work through the following units as part of Visual Art - Photography 2

Unit 1: Artwork and meaning

In this module, you will explore how photographs are created to convey meaning by examining the materials, techniques, and processes artists use. You will also get hands-on experience with different methods to express your own ideas through art.

Unit 2: Approaches to artmaking

In this module, you will explore artworks from different times and cultures. This will help you deepen your understanding of how artists create and express ideas.

Unit 3: Concepts and consolidation

In this module, you will focus on the ideas and subject matter in your own work and the work of others. By exploring artists, artworks, and experimenting in your own practice, you will develop clear concepts and link theoretical understanding to your own creative approach.

How you'll be assessed:

Common types of internal assessments are:

- Visual Art Journals
- Practical work
- Written responses
- Folio

Success Criteria

- A strong and consistent work ethic

COMPLETION OF WORK

Assessment due dates are provided in the Program of Learning and on Canvas. Work must be submitted by the due date unless an approved extension has been granted. Unapproved late submissions will incur penalties as outlined in the *Completion of Work Policy*. Students needing extensions should contact their subject teacher before the due date with valid reasons, such as illness or unforeseen circumstances.

For more details refer to the Launceston College: [Completion of Work Policy](#).

ACADEMIC INTEGRITY

All senior secondary students in Tasmania are expected to uphold academic integrity, meaning they complete their work honestly and fairly. This includes properly referencing any ideas, images, or information borrowed from others, allowing teachers to distinguish between original and sourced content.

Assignments will be submitted through Canvas, email, hard copy as directed in the task sheet.

For more details, refer to the Launceston College: [Academic Integrity Policy](#).

REFERENCING

ASSESSMENT

Criterion-based assessment helps students see how well they're meeting course outcomes at the end of their study. While there is continuous feedback to guide learning, final assessments focus on showing what students have achieved by the end. Ratings are given as 'A', 'B', or 'C', based on course standards. A 't' indicates partial achievement below a 'C', and a 'z' means no evidence provided.

Schools follow TASC's quality assurance to keep standards consistent. More details are on the [TASC website](#). Final awards are based on both internal and TASC-supervised external assessments.

Criteria

The assessment for *Visual Art* Level 2 will be based on the degree to which the learner can:

1. use the elements and principles of artistic design to solve problems
2. select and use technologies, techniques and conventions in artmaking
3. communicate ideas, emotions and information through artworks
4. observe and respond to cultural influences and artworks
5. assess art ideas and information
6. apply time management, planning and negotiation skills to Visual Art activities
7. use reflective practice to inform artmaking
8. create a body of artwork.
